BY COMMISSIONERS DREGGE-WAGNER:

For Federal Project No. NRHM 113-G (1935)
State project No. NRHM 41-57
Location: Cut off U.S. 16 to M-21

WHEREAS, plans have been prepared and filed with the City
Clerk by the State Highway Department for the improvement of certain
streets within the corporate limits of this municipality and said
plans appear to be in proper form and satisfactory to this body,

THEREFORE, BE IT RESOLVED that the said plans and specifi-
cations be and the same are hereby approved and the consent of this
municipal body is hereby given for the making of said improvement in
accordance therewith.

BE IT FURTHER RESOLVED, that this municipality shall cause
all water lines, sanitary or storm sewers, house connections, gas
mains, electrical conduits, or other underground work, either public
or private, within the limits of the right of way thruout the length
of said improvement, to be inspected and repaired, and, where
necessary, to be put into first class condition at once, and that
said municipality shall cause all additional or new underground work
within aforesaid area (except such as provided for on pavement plans)
to be properly installed at the earliest opportunity.

All backfilling of trenches, abandoned structures, etc. within
the limits of the proposed construction area shall be done with bank
run sand or its equivalent, placed in horizontal layers not to exceed
6 inches in depth, and thoroly tamped or flooded to produce maximum
settlement.

BE IT FURTHER RESOLVED, that the State Highway Department shall
be reimbursed for all future repairs to the pavement included in this
project made necessary on account of faulty material or workmanship
in such underground work by this municipality, on bill rendered by the
State Highway Department when such repairs to the pavement will have
been completed.

BE IT FURTHER RESOLVED, that this municipality will at no time hereafter, without the written consent and approval of the State Highway Department attach any further construction to the improvement so made by the State Highway Department; nor will it erect, install, or permit to be erected or installed, any traffic guide, signal, sign, or other device to control traffic, or for advertising purposes, except in conformity to the Rules and Regulations of the Michigan State Highway Department for uniform traffic control.

BE IT FURTHER RESOLVED, that no structures to be used for any purpose, excepting as aforesaid, shall be built or be permitted by this municipality to be built fronting on this improvement, within the existing lines of right of way or within any proposed future right of way lines as shown on said plans.

BE IT FURTHER RESOLVED, that this municipality will forthwith pass the proper ordinance or ordinances to control building construction on this improvement so that same will correspond with the right of way existing or proposed, as shown on said plans.

Notwithstanding any of the provisions of this resolution it is expressly understood and agreed with the State Highway Department and the State of Michigan, that no expense or obligations for expenditures on the part of the City of East Grand Rapids, by reason of the passage of this resolution, shall be imposed on or assumed by the City of East Grand Rapids.
