**Commentary:**

The cumulative arrest totals for each year include both juvenile and adult arrests. When reviewing the figure above, please keep the following in mind: Arrests represent the actual number of individuals arrested. An individual may have been charged with multiple offenses. The reader is cautioned against comparing arrests and offenses, as many times they do not occur in the same quantities.

**Commentary:**

More bicycles were registered to an increase in mobility after COVID. The increase in insurance copy requests is related to the number of crashes. The background checks is due to increased hiring efforts by other police agencies. Items in **red are "pounds"** and not included in the column totals.

Calls for service include all contacts with individuals that would involve an arrest or a Response to Resistance.

Use of force is a rare occurrence in East Grand Rapids. No significant trends.
