WHEREAS, The Council of the Village of East Grand Rapids, has met for the purpose of hearing objections to the proposed construction of a concrete pavement, curb and gutter, in and upon Plymouth Road, from Wealthy Street to Robinson Road, public streets in the Village of East Grand Rapids, and to the estimate of the cost of said improvement, and to the formation of a special assessment district to be assessed therefor as shown by the map, plat and diagram now on file in the office of said Clerk, and no person appearing and objecting thereto, therefore be it

RESOLVED, That the aforesaid improvement be made, and that the maps, plat, plan and diagram thereof now on file in the office of the Village Clerk be approved and adopted, and that all lots, parts of lots and parcels of land abutting upon and adjacent to either side of said Plymouth Road, and lying between Wealthy Street and Robinson Road in said Village, and within the boundaries of said district, as shown by the map, plat and diagram of said proposed special assessment district, as corrected, shall constitute and be a special assessment district, to be known as the "Plymouth Road Paving District No.2"; and be it further

RESOLVED, That the expense of said improvement, including the cost of the estimate of the expense thereof, and the cost of surveys, map, plans and diagrams of the work and locality to be improved, and of the map, plat and diagram of the lands and premises to be assessed therefor, and of the assessments incident thereto, be and the same hereby is estimated at the sum of \$11,228.04; that the entire cost of said improvement be assessed upon and against the lands and premises lying within said special assessment district according to foot frontage, and that the amounts to be assessed against each lot and parcel of land in said special assessment district shall be divided into five equal parts, one part to be collected this year, to-wit: 1927, and one part to be collected annually thereafter until the whole is collected, with interest upon all deferred payments at the rate of six (6) per cent per annum from the date of the confirmation of the special assessment roll; and be it further

RESOLVED, That the Board of Assessors of the Village be, and they are hereby directed to make and prepare a special assessment roll of all the lands and premises within said special assessment district as shown by said map, plat and diagram, said roll to be in five parts numbered one, two, three, four and five respectively, each part to contain a list of each lot, part of lot or parcel of land constituting said special assessment district with the names of the owners or occupants of each lot or parcel of land in said district, and that said Board be, and they are hereby further directed to assess and levy the entire cost upon and against each lot, part of lot or parcel of land within said district, according to foot frontage, and one part of said assessment to be collected in the current year, to-wit, 1927, and one of said parts to be collected annually thereafter until the whole is collected; and if from the shape or size of any such lot an assessment thereon in proportion to its frontage would be unjust and disproportionate to the assessments upon other lots, said Board shall assess such lot for such number of feet frontage as the Board deems to be equitable, and report said roll to this Council at its next regular meeting to be held January 17th, 1927; and it is further

ORDERED, that the Village Clerk notify the chairman of said Board of Assessors of this resolution and deliver to him a copy of the map, plat and diagram now on file in his office.

RESOLUTION BY TRUSTEE OSBORN:

WHEREAS, The Council of the Village of East Grand Rapids, Michigan, has heretofore caused to be made a map, plan and diagram and an estimate of the cost of constructing and installing a sanitary sewer in Raymond Avenue, from Burohard Street to Hall Street, public streets in the Village of East Grand Rapids, including the construction of the necessary laterals, branches, Y's and man-holes, and said expense having been estimated at the sum of \$ 1158⁰⁰; and

WHEREAS, The said Council has heretofore established a special assessment district of the lands and premises, lots, parts of lots and parcels of land abutting upon and adjacent to either side of said ~~several~~ streets, from which assessment district shall be collected a sum sufficient to pay the entire of said estimated cost, said district to be known as the "Raymond Avenue Sanitary Sewer District No. 1 Special Assessment Rolls", and has determined that the amounts so assessed against each lot or parcel of land in said district be divided into five parts, one to be collected in the current year and one part to be collected annually thereafter until the whole shall be collected, with interest upon all deferred payments from the date of confirmation of special rolls therefor, and has determined to raise the amount necessary to pay the estimated cost over and above the installments payable in the current year by loan on the faith and credit of said Village, to be paid out of said unpaid special assessment when collected, and said special assessment rolls having been returned to this Council, and after due notice, appeals therefrom and objections thereto having been heard and considered and corrections made, and said rolls as corrected, having on the 20th day of December 1926, been duly ratified and confirmed, and said special assessments ordered levied and collected, now therefore

BE IT RESOLVED, By the Council of the Village of East Grand Rapids, Michigan, that, for the purpose of constructing and installing a sanitary sewer in said streets, the entire cost and expense of which is to be paid by special assessment on the lands and premises in said "Raymond Avenue Sanitary Sewer District No. 1 Special Assessment Rolls", which said assessments are to be divided into five parts, one part of which is to be collected during the current year and one-fifth part is to be collected annually thereafter until the full amount is collected, and for the purpose of borrowing sufficient money to pay for said improvement, over and above the amount collected during the current year, there shall be issued negotiable coupon bonds of the Village of East Grand Rapids, in the total amount of \$545⁰⁰, to be paid out of the special assessment levied against the lands and premises in said "Raymond Avenue Sanitary Sewer District No. 1 Special Assessment Rolls", when the same are collected, one-fourth of said bonds to be made payable and mature in the year 1928, and one-fourth of said bonds to mature and be payable in the years 1929, 1930 and 1931 respectively; and be it further

RESOLVED, That said bonds shall bear interest at the rate of six (6) per cent per annum, payable semi-annually, from the date of said bonds, and that said bonds shall be as near as may be in denominations of \$640 each, that there shall be specified upon the face of each of said bonds the particular public improvement for which the same is issued, namely for the construction and installation of a sanitary sewer in the aforesaid mentioned streets, and each bond shall contain upon its face a statement that it is payable from said special assessment district. Said bonds and coupons shall be substantially in the following form:

UNITED STATES OF AMERICA
STATE OF MICHIGAN
COUNTY OF KENT
VILLAGE OF EAST GRAND RAPIDS.

NO. _____ § _____
RAYMOND AVENUE SANITARY SEWER DISTRICT NO.1
SPECIAL ASSESSMENT ROLLS.
Series 1927

KNOW ALL MEN BY THESE PRESENTS, That the Village of East Grand Rapids, in the County of Kent and State of Michigan, acknowledges itself justly indebted and for value received, hereby promises to pay to bearer on the 15th day of _____, 192____, the principal sum of _____ dollars, together with interest from the date hereof until paid at the rate of five per cent per annum, payable semi-annually on the 15th day of May and the 15th day of November of each year upon presentation and surrender of the annexed interest coupon, as they severally become due, both principal and interest payable in lawful money to the United States of America, at the office of the East Grand Rapids State Bank.

This bond is issued by authority of the Council of the Village of East Grand Rapids for the purpose of providing funds for the construction and installation of a sanitary sewer in Raymond Avenue, from Burchard Street to Hall Street, all public streets in said Village, pursuant to resolutions and proceedings of the Village Council duly passed and adopted by virtue of and in full compliance with the constitution and laws of the State of Michigan, and particularly Act No.3 of the Laws of 1895 entitled "An Act to provide for the incorporation of Villages within the State of Michigan and defining their powers and duties" and the amendments thereof.

It is hereby certified and recited that all conditions, things and acts required by the constitution and laws of the State of Michigan, to exist, happen and to be performed precedent to and in the issuance of this bond, have existed, happened and been performed in regular and due time, form and manner as required by law. For the prompt payment of the principal and interest of this bond, when due, the full faith and credit and resources of this Village are hereby irrevocably pledged out of the said "Raymond Avenue Sanitary Sewer District No.1 Special Assessment Rolls".

IN WITNESS WHEREOF, The Council of the Village of East Grand Rapids, Michigan, has caused this bond to be signed by the President and countersigned by the Clerk of said Village and the corporate seal of said Village hereto affixed and the interest coupons hereto attached to be signed by the Village Treasurer and this bond dated the 15th of November, 1927

Mr. B.P. Kenyon, President.,
Honorable Council,
Village of East Grand Rapids, Mich.

Gentlemen:-

On Jan 3d we presented a bill of \$306.58 for work on Bonnell Drive, in connection with electrical services, broken at the residences of Mr. Schravasande and Mr. Jack.

This bill was O.K.ed by the Village Engineer, and ordered paid by the Council, and then held up by Mr. Campbell the following day.

Mr. Campbell promised to iron out whatever difficulty he had in view and settle this bill without delay, Up to date this matter has not been taken care of, and we respectfully ask that some action be taken at this meeting.

Yours truly,

Hi-lo Electric Co.

(signed) F.V. Haeshutter.

Mr. B.P. Kenyon, Pres.,
Village of East Grand Rapids,
East Grand Rapids, Mich.

Dear Mr. Kenyon:

There is a matter relative to the adjustment of a special assessment made covering a portion of Paving District #3. According to my recollection there was a considerable sum of money due me which was partly offset by this special assessment. This matter was to be adjusted and we were to be advised. Will you be so good as to look into this matter and let me know as I do not like to have things like this standing?

Appreciating your advice and thanking you for your assistance, I am

Very truly yours,

January 12, 1927.

Conferred with City Tax Assessors regarding assessment of real estate owned by and assessed against G.R. Savings Bank and was informed that

Main Building is assessed at \$760,000.00
and that entire realty is assessed at 994,000.00

According to these figures and statement of State Tax Department the stock should have been assessed at \$39.84 per share.

523 shares are owned by village taxpayers-at \$39.84 valuation per share the total valuation for taxation is \$20,836.32 which makes the tax at 10 mills \$218.78.

The tax claimed paid was \$699.30; have no information that a collection fee was paid. My figures show that the tax paid should have been \$695.22. Deducting \$218.78 from this sum leaves \$476.44 to be refunded. This difference in amounts is properly due to different valuations placed on the different holders of stock.

(signed) Emil B. Gansser

Motion made by Trustee Tinkler, supported by Trustee Campbell, that the Attorneys report be made a part of the minutes of this meeting, and that a refund of \$ 476.44 be allowed the Grand Rapids Savings Bank stock holders.

Mr. Gansser also reported at this time that he had had a conference with Mr. Rumsey, the former Village Engineer and that Mr. Rumsey had stated that Mr. Nutting had obtained all the tracings and maps that had been desired at that time, but that he, Mr. Rumsey, would aid Mr. Whiting, the present Engineer, in obtaining any further information that should be desired. Mr. Rumsey also stated that he had sent the State Board of Health tracings of the Village Sewerage and Water Extensions up to and including the year 1922.

Motion made by Trustee Campbell, supported by Trustee Osborn, that Mr. Gansser be instructed to write the State Board of Health and tell them that tracings of the Village sewerage and water extensions had been sent them by Mr. Rumsey, the former Village Engineer, up to and including the year 1922.

The Council's attention was brought to the condition of the sidewalk alongside of the Lake Drive Baptist Church at the corner of Lake Drive and Groswell Avenue. It was reported that the storm water from the roof of this building was being drained in such a manner that the water ran out onto the sidewalk and froze there, making it very dangerous for pedestrians at this point.

Motion made by Trustee Frye, supported by Trustee Campbell, that this matter be referred to the Street Committee with power to act.

RESOLUTION OFFERED BY TRUSTEE CAMPBELL:

WHEREAS, It is proposed that there be constructed an asphalt top in and upon Lake Drive, from the west line of Cambridge Boulevard to the east line of Lovett Street, public streets in the Village of East Grand Rapids, and to establish a special assessment district to pay the entire cost of said improvement, therefore, be it

RESOLVED, By the Council of the Village of East Grand Rapids, Michigan, that it deems the construction of said pavement in the aforesaid streets to be a necessary public improvement, and that this Council has determined and does hereby determine to make such public improvement, viz: to construct an asphalt top, in and upon Lake Drive, from the west line of Cambridge Boulevard to the east line of Lovett Street, public streets in said Village, and to defray the entire cost and expense of constructing said pavement upon the lands and premises abutting upon said streets and according to foot frontage; and be it

FURTHER RESOLVED, That the districts, lands and premises upon which said special assessment for constructing said pavement shall be levied shall include all the lots, parts of lots, and parcels of land as now recorded in the Register of Deeds Office for Kent County, Michigan, abutting upon either side of Lake Drive, from the west line of Cambridge Boulevard to the east line of Lovett Street; and be it

FURTHER RESOLVED, That the Village Engineer be and he is hereby instructed to prepare and furnish to the Council as soon as possible the plat and diagram of the work and of the location to be improved, and an estimate of the cost of such improvement, and also a map, plat and diagram of each and every lot, parts of lots and parcels of land as now platted and recorded in the Register of Deeds office, fronting and abutting upon said street as above described.

RESOLUTION OFFERED BY TRUSTEE CAMPBELL:

WHEREAS, The Board of Assessors of this Village, has prepared an assessment roll to defray the costs of paving Franklin Street, from the west village limits to Plymouth Road, public streets in the Village of East Grand Rapids, Michigan, in five parts, numbered one, two, three, four and five respectively, each part containing a list of the lots or parcels of land constituting the special assessment district with the names of the owners or occupants of each lot or parcel of land, and have assessed one-fifth of the cost and expense of such improvement upon each one of said five parts of said roll as heretofore directed by this Council and have reported said roll to the Council at this meeting, and

WHEREAS, Said Board of Assessors has assessed to each lot or parcel of land within said district such relative portion of the whole amount to be levied as the number of feet frontage of each of said lots or parcels of land abutting upon said improvement bears to the whole frontage of all lots to be assessed, except in cases where on account of the shape or size of any lot an assessment for a different number of feet has been deemed more equitable by said Board.

NOW, THEREFORE, BE IT RESOLVED, That the assessment rolls returned by the Board of Assessors be filed in the office of the Village Clerk, and marked "Franklin Street Paving District No. 1, Special Assessment Rolls", and that said rolls be numbered by the Clerk of this Village, and that Monday, the 7th day of February, 1927, at 8 o'clock P.M., be designated as the time and the Council room in said Village as the place when and where the Council and Board of Assessors will meet to review the assessment and to hear any objections thereto and any appeals therefrom; and it is

ORDERED, That the Village Clerk give notice of the filing of said rolls with the Clerk and of the time and place when and where the Council and the Board of Assessors will meet to review the assessment and to hear any objections thereto and appeals therefrom, by posting notices in three public places in said Village at least two weeks previous to said meeting.

MR. HEUBNER'S REPORT:

TO HONORABLE PRESIDENT AND COUNCIL:

I hereby submit my report of the Lake Drive Estates.

The work on the sewer is all in, except the final inspection for cleaning and flushing out, which cannot be done until the Valley Sewer is connected on Beechwood and Oakwood Drives, which will have to be done in the spring on Elmwood and Maplewood. There is no outlet or lift at the present time.

Yours,

(Signed) F.C. Heubner.

TO THE HONORABLE PRESIDENT AND COUNCIL:

The Ottawa Hills Sewer is all in, and house connections installed and the pumps and lifts installed.

In my estimation, the sewer from the Railroad to two hundred feet west ought to be relaid. Too much ground water in Sewer.

Yours,

(Signed) F.C. Heubner.

Motion made by Trustee Frye, supported by Trustee Osborn, that Mr. Williams, the contractor constructing the Ottawa Hills Sanitary Sewer No. 1 be notified that the Ottawa Hills Sewer does not pass inspection by Mr. F. C. Heubner, the Village Inspector, and consequently will not be accepted by the Council of the City of East Grand Rapids.

Mr. Heubner, the Inspector, at this time also explained to the Council that the man-hole built by Carol Williams to house the sump-pump at the disposal plant, in his estimation was built too small, and also that the workmanship on the construction of said man-hole is not a satisfactory job, and for this reason it has not passed his inspection.

Motion made by Trustee Campbell, supported by Trustee Schuitema, that Mr. Williams, contractor constructing the Ottawa Hills Sanitary Sewer No. 1 be notified that the sump-pump man-hole at the disposal plant which he had built does not pass inspection by Mr. F. C. Heubner, the Village Inspector, and consequently will not be accepted by the Council of the City of East Grand Rapids.

At this time Carroll Williams, the contractor installing the Ottawa Hills Sanitary Sewer No. 1 explained to the Council that in his estimation the work that he had done on the above mentioned sewer was up to standard, and that if the ground water which seeps into the sewer was measured at some future date, that he was positive that it would amount to practically nothing. He stated further that in building the man hole to house the sump pump that he had followed the plans as given him by the Village Engineer.

Motion made by Trustee Campbell, supported by Trustee Tinkler, that this matter be referred to the Sewer Committee, Inspector and Engineer.

Grand Rapids, Mich.
January 20, 1927.

Village Council,
East Grand Rapids, Mich.

Gentlemen:-

In fall of 1925 and spring of 1926 I built my home on Bonnell Drive Woodcliff Park and found to obtain water it was necessary for me to extend the water main on Bonnell Drive at my own expense from corner of Mr. Jack's property, some one hundred and fifty feet away to my lot.

Mr. Hugenholtz advised me to get estimate of this work and submit to Mr. Nutting, who would also get figures. This I did and Mr. Nutting instructed me to proceed with the work employing my plumber as my bid was lowest received.

On December 10th, 1925 I sent the receipted invoice of \$375.00 to Mr. Hugenholtz, the Village Clerk asking him to send me proper receipt showing that I had this amount due from Village at such future date as the revenue from this extension equaled 10% of the cost which I understand to be the ruling.

2/7/27.

I phoned Mr. Hugenholtz several times and talked with him in person, but as yet have not received any acknowledgement of this transaction.

I submit this to your honorable body that I may have proper recognition on your records for my future protection in the repayment.

Thanking you in advance for completion of this long delayed actionn, I am

Very truly yours

Grand Rapids, Michigan,
February 7, 1927.

To the Council,
The City of East Grand Rapids, Michigan.

Gentlemen;

It is respectfully requested that steps be taken to accomplish the installation of sidewalks from their present terminations on Lake Drive to the intersection of Lake Drive and Hall Streets.

Such an installation will connect up to the Ravenswood Plat sidewalks, upon which construction has been started. The Ravenswood Plat sidewalk system will be completed as soon as weather will permit and will service four houses and the Golf Course as well as a considerable amount of construction contemplated in the spring.

At the present time there is no provision for sidewalk traffic from the end of the present city system to the Ravenswood system.

Respectfully yours,

Ravenswood Development Company

by Walter S. Palmer.

Secretary and Treasurer.

RESOLUTION OFFERED BY TRUSTEE CAMPBELL:

WHEREAS, The Board of Assessors of this Village, has prepared an assessment roll to defray the costs of constructing an asphalt pavement and a concrete curb and gutter in and upon Plymouth Road, from the south line of Wealthy Street to the north line of Lake Drive, in five parts, numbered one, two, three, four and five respectively, each part containing a list of the lots or parcels of land constituting the special assessment district with the names of the owners or occupants of each lot or parcel of land, and have assessed one-fifth of the cost and expense of such improvement upon each one of said five parts of said roll as heretofore directed by this Council and have reported said roll to the Council at this Meeting, and

WHEREAS, Said Board of Assessors has assessed to each lot or parcel of land within said district such relative portion of the whole amount to be levied as the number of foot frontage of each of said lots or parcels of land abutting upon said improvement bears to the whole frontage of all lots to be assessed, except in cases where on account of the shape or size of any lot an assessment for a different number of feet has been deemed more equitable by said Board

NOW, THEREFORE, BE IT RESOLVED, That the assessment rolls returned by the Board of Assessors be filed in the office of the Village Clerk, and marked "Plymouth Road Paving District No. 5", Special Assessment Rolls", and that said rolls be numbered by the Clerk of this Village, and that Monday, the 21st day of February, 1927, at 8 o'clock P.M., be designated as the time and the Council room in said Village as the place when and where the Council and Board of Assessors will meet to review the assessment and to hear any objections thereto and any appeals therefrom; and it is

ORDERED, That the Village Clerk give notice of the filing of said rolls with the Clerk and of the time and place when and where the Council and the Board of Assessors will meet to review the assessment and to hear any objections thereto and appeals therefrom, by posting notices in three public places in said Village at least two weeks previous to said meeting.

Attention: Electrical Inspector,
City of East Grand Rapids,
East Grand Rapids, Michigan.

Dear Sir:-

We are planning on running another day light kitchen unit campaign in the City of East Grand Rapids.

These units will be sold through a house to house canvass and installed in the home for five days free trial.

Three years ago the United Appliance Company conducted a campaign along the same lines and during this campaign they were given special permission to install kitchen units without an inspection, and we would like to ask if the same privilege could be granted again.

Kindly advise.

Yours very truly,

Honorable Village Council,
East Grand Rapids, Michigan.

Gentlemen: Attention Mr. P.R. Schregardus.

Along about the middle of December, I recall a talk I had with you, at which time you said that the reason refund had not been made me was because of the fact that the bills covering the improvements in question were not all in, or had not been in before that time, but as I understand you they were now in and that you would then be able to get this all cleared up.

You can appreciate that I dislike to have this hang fire in this way and my file will show that I have kept diligently after this to get it cleaned up, and the fact that it is not cleaned up surely is not chargeable to me.

Very truly yours,
(Signed) Chas. Dregge.

To the Honorable President and Board of Trustees of the Village of East Grand Rapids:

We, the undersigned owners of property abutting on Hall Street, do hereby respectfully petition your Honorable Body to have Hall Street graded and drained from the west Village limits to East Paris Road, the cost to be assessed against the abutting property on the Five year plan. We also petition your honorable body to have estimates made on the cost of improving above described street.

Mr. B.P. Kenyon,
Adjustable Table Co.,

Dear Sir:

Enclosed find the lease for the well site properly signed. I will call your particular attention to Section 4 of the lease and ask that you see that the well contractors discontinue using the driveway as an entrance to their operations. They do very little damage now, but a few soft days with their heavy trucks will seriously damage the driveway and the adjoining lot.

I am leaving the city in a few days for a few weeks and will have the park deed ready for you on my return.

Yours very truly,

MR. GANSSER'S REPORT:

TO THE President and Council
of East Grand Rapids:

Gentlemen:

Pursuant to action taken by the Council directing me to investigate and report in writing on the Raymond and Rodenbaugh Brother's Addition in East Grand Rapids, I herewith submit my report as follows:

I have made a thorough and careful investigation of the records on file in the Register of Deeds office and find that the Raymond & Rodenbaugh Brother's Addition was platted in 1892 and recorded in the Register's office on February 26th, 1892. The plat originally comprised of the land lying between the north line of the P.M Railroad Company's right of way and what is now known as Argentina Drive, and between East Paris Road and the quarter section line in Section 33, Town 7 north of range 11 west. That part between East Paris Road and Raymond Avenue was formerly owned by the Masonic Home Association and was vacated in 1912 and at the time the Masonic Home Addition was platted. The west one-half of the remainder of the plat was owned by George H. Raymond and the balance of the plat was owned by O.S. and I. M. Rodenbaugh, and all these parties joined in the platting of the Raymond & Rodenbaugh Brother's Addition.

Prior to the platting of this property George H. Raymond and wife gave a mortgage upon that part of the addition lying west of Henry Avenue, to the Daniel W. Coit Estate, which mortgage was dated February 13, 1891. This mortgage was foreclosed by the Coit Estate in 1897 and the property sold under the mortgage by decree of the Kent County Circuit Court in Chancery. In this foreclosure proceedings it was the claim of the Coit Estate that the property in question had been platted without the knowledge and consent of the mortgagee, the Coit Estate, and a decree ordered that so much of the Raymond & Rodenbaugh Brother's Addition included within the mortgage to the Coit Estate be and the same was thereby vacated and set aside.

By the vacating of the George H. Raymond part of the plat by the decree of the Court, and the vacating of the east portion of the plat belonging to the Masonic Home Association, the only part of the plat remaining was the part lying between Henry Avenue and Raymond Avenue. That the Council of the Village of East Grand Rapids, at a meeting thereof held June 22nd, 1925, did by resolution close and vacate Harley Avenue and Raymond and Henry Avenues in said Raymond & Rodenbaugh Brother's Addition and also all alleys in said addition, and also that part of Raymond Avenue south of the Railroad's right of way to the north line of Burchard Street.

When said last mentioned streets were vacated by the Council, G.A. Hendricks was the owner of the remaining part of the Raymond & Rodenbaugh Brother's Addition and the part vacated by the decree of the Court as above mentioned, and G.A. Hendricks has since caused the land owned by him to be platted and this plat was approved by this Council and later recorded in the office of the Kent County Register of Deeds.

Respectfully submitted,

(Signed) Emil B. Gansser
Attorney for East Grand Rapids

March 3d, 1927

To the Trustees of the Village of East Grand Rapids,
East Grand Rapids, Michigan.

Gentlemen:

I understand the Village is contemplating the paving of Plymouth Road from Robinson Road to Wealthy Ave., and I respectfully request that this work be held in abeyance until the property owners on that street have a meeting and decide on what kind of pavement would be most practical and desirable.

Owing to a number of them being out of the city, there will be a short delay before we can submit a definite report on the matter.

Yours very truly,

(Signed) Wm. M. Wurzburg

Motion made by Trustee Campbell, supported by Trustee Osborn that the Clerk notify all property owners on Plymouth Road between Wealthy Street and Robinson Road, that the concrete to be placed on said street is merely a base over which any surface can be placed, and that said Clerk further notify said property owners that they would have until May 1st, 1927, to file their petition as to what surface they would desire on this street.

TO THE HONORABLE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF EAST GRAND RAPIDS, MICHIGAN:

We, the undersigned owners of property on Wilshire Drive, do respectfully petition your honorable body to have a sewer installed on Wilshire Drive from the corner of East Paris Road and Hall Street to the east line of Lot Number 47, Paris Park Addition. The expense of same to be assessed against the abutting property on the five year payment plan.

CAVANAUGH & JEFFERS and 3 others.

* RESOLUTION OFFERED BY TRUSTEE FRYE:

WHEREAS, It is proposed that there be constructed a sanitary sewer in Wilshire Drive, from East Paris Road to Lot No. 47, Paris Park, public streets in the Village of East Grand Rapids, Michigan, and to establish a special assessment district to defray the entire cost of said proposed improvement.

Therefore, BE IT RESOLVED, by the Council of the Village of East Grand Rapids, Michigan, that it deems the construction of said sanitary sewer in the aforesaid streets to be a necessary public improvement, and that this Council had determined, and does hereby determine, to make said public improvement, viz:- to construct a sanitary sewer in Wilshire Drive, from East Paris Road to Lot No. 47, Paris Park, a public street in the Village of East Grand Rapids, including the construction of the necessary man-holes, catch-basins, Y's and laterals in connection therewith, and to defray the cost and expense of said improvement, by special assessment upon the lands and premises benefited by said improvement and according to benefits derived therefrom, and be it

FURTHER RESOLVED, That this Council intends to establish a special sewer district upon which said special assessment shall be levied, to include all the lands and premises, lots, parts of lots and parcels of land as now recorded in the office of the Register of Deeds for Kent County, Michigan, abutting upon and adjacent to either side of the aforesaid several streets, and extending back at right angles thereto to the rear lot line of the lots and parcels of land abutting thereon; that this Council deems that all the lands and premises lying within said proposed sewer district will be benefited by said improvement; and be it

FURTHER RESOLVED, That the Village Engineer be and he is hereby instructed to prepare and furnish to this Council a map, plat and diagram showing the boundaries and divisions of all the lots and premises in said sewer district as now recorded in said Register of Deeds Office, and a map, plan and diagram showing the proposed route and location of said sanitary sewer through said sewer district, together with its depth, grade and dimensions, and also an estimate of the cost of said proposed improvement.

Trustee Frye moved the adoption of this resolution, supported by Trustee Osborn.

Hon. City Council,
East Grand Rapids,
Michigan.

Gentlemen:

Referring to your letter of the 10th inst. regarding condition of Bonnell Avenue, wish to state that so far as I know there has been no heavy trucking on that thoroughfare. The mail man, grocery man and laundry man with their Ford trucks drive to the homes not more than once a day, and if the road is not in condition for this very limited service, Mr. Passink can not be credited with doing much to relieve our very bad situation.

Up to a few days ago Mr. Passink has had heavy trucks delivering sand and gravel and it has been these trucks that have done almost all of the injury. Had Mr. Passink hauled all of this material as he did part of it during the winter when the roads were frozen and able to stand the burden, our complaint at this time would be nil.

Demand should be made on Mr. Passink at this time for prompt action in completing the job and giving to the tax payers the relief that they are certainly entitled to.

Sincerely yours,

Gentlemen:

The work of repairing electric and telephone conduit lines from my residence which were destroyed last fall by the parties paving Bonnell Avenue has never been completed.

I understand also that the work that was partially done was not or can not be accepted by the power company and will have to be taken out and replaced. The lighting line to the entry way is entirely out of commission as is part of my door bell system.

Wont you be good enough to take the matter up for final action so that we can fill the trenches, replace the sod and get back to normal conditions. The matter certainly has been dragging along unreasonably and my request I believe at this time should receive your kind consideration.

Respectfully yours,

The Honorable Council
City of East Grand Rapids, Mich.

Gentlemen:

At the request of Trustee Campbell, I herewith make the following report on the Building Permits taken out by Mr. Ed Grummet for 725 and 729 Gladstone Avenue.

On March 15, 1925, a permit was issued to construct a frame garage at 729 Gladstone Avenue at an estimated cost of \$300.00. This garage has been built but has no siding on, only the rough sheeting. It is being used for automobiles.

On October 19, 1925, a permit was issued for reshingling and building a bath room on the house at 725 Gladstone Avenue. This work has been completed.

On March 1, 1927, a permit was issued for repairing the house at 729 Gladstone Avenue, the repairs to consist of excavating a basement and building a lavatory and refrigerator room. This work is now under construction.

Yours very truly

(Signed) C.K. Whiting,
City Engineer.

East Grand Rapids, Michigan.

March 21, 1927

To the Honorable Council,
City of East Grand Rapids,
Michigan.

Gentlemen:

I herewith submit the following report about horses and sanitary conditions at Mr. Ed Grummet's premises at 725 and 729 Gladstone Avenue.

Mr. Grummet has four horses which he keeps in a barn or garage in the rear of the house in which he lives at 725 Gladstone Avenue. This barn or garage is a single story, of frame construction with a concrete floor. There are no sewer connections in this building. The manure is piled on the property of the Clark Memorial Home in the City of Grand Rapids. The liquids run from the floor onto this property also. I can find no record of a building permit for this building and was told by Mr. Grummet that it was built before permits were required. At the present time no hay is stored in this building.

The garage in the rear of 729 Gladstone Avenue is a two story frame building and was built under a permit issued March 14, 1925. It is used at the present time for automobiles only. Hay has been stored on the second floor of this garage but at the present time there is none there.

The repairs to 725 Gladstone Avenue, consisting of reshingling the house and building on a bath room, for which a permit was issued on October 19, 1925, have been completed. Sewer and water connections are in this house.

The repairs to 729 Gladstone Avenue, consisting of excavating a basement, constructing a cellar stairway and building on a refrigerator room and a lavatory, for which a permit was issued on March 1, 1927, are now being made and comply with the provisions of the Zoning Ordinance. Sewer and water connections have not been made as yet. The people now living in this house use the toilet at 729 Gladstone Avenue.

Respectfully submitted

(Signed) C.K. Whiting.

Mr. W.C. Campbell,
Chairman Street Committee,
East Grand Rapids, Michigan.

Dear Sir:

We deeply regret that we were unsuccessful in obtaining the contract for the asphalt resurfacing of Plymouth Road and in justice to our bid we feel certain matters should be called to your special attention.

You will recall that our bid was for Lake Asphalt only. This is due to the fact that we are contemplating the entire abolishment of Oil Asphalt jobs and after we complete a certain contract which we have on hand it is our intention to never have oil asphalt again in our storage tanks. This of course would insure you against anything except a 100 per cent Lake Asphalt job and as far as quality is concerned would eliminate the necessity of plant inspection. We would be willing to bond ourselves not to have anything but Lake Asphalt in our reserve tank while doing East Grand Rapids Jobs, or if we should have any surplus oil asphalt on hand after completing the contract above mentioned we would be willing to maintain 24 hour guard service (the guards to be selected by the Council) in order to specifically guarantee to the City of East Grand Rapids a 100 per cent Lake Asphalt job.

Should any complications arise whereby there might be a reconsideration of the resurfacing in question, we respectfully request your consideration of the above mentioned facts.

Yours Very truly,

(Signed) F.W. O'Connor & Co.

Motion made by Trustee Campbell, supported by Trustee Frye, that the P.W. O'Connor Company be awarded the contract for the construction of an asphalt pavement and a concrete curb and gutter in and upon Plymouth Road, from Wealthy Street to Sherman Street, for the amount of their bid, that is, \$7,830.05, provided that their surety bond for this work are acceptable to this Council.

RESOLUTION OFFERED BY TRUSTEE OSBORN:

WHEREAS, The Council of the Village of East Grand Rapids, Michigan, has heretofore caused to be made a map, plan and diagram and an estimate of the cost of constructing a sanitary sewer in Alexander Road, from Plymouth Road to the west village limits; Mackinaw Road, from Gladstone Drive to the west village limits; Plymouth Road, from the Pere Marquette Railroad to Franklin Street; Rosewood Drive, from Alexander Road to Franklin Street, Gladstone Drive, from Alexander Road to Franklin Street; and said expense having been estimated at the sum of \$15,509.24 and

WHEREAS, The said Council has heretofore established a special assessment district of the lands and premises, lots, parts of lots, and parcels of land abutting upon and adjacent to either side of said routes from which assessment district shall be collected a sum sufficient to pay the entire estimated cost, said district to be known as "Ottawa Hills Sewer District No. 2", and has determined that the amounts so assessed against each lot or parcel of land in said district be divided into five parts, one part to be collected in the current year and one part to be collected annually thereafter until the whole shall be collected, with interest upon all deferred payments from the date of confirmation of special assessment rolls therefor, and has determined to raise the amount necessary to pay said estimated cost over and above the installment payable in the current year, by loan on the faith and credit of said Village, to be paid out of said unpaid special assessment when collected, and said special assessment rolls having been returned to this Council and, after due notice, appeals therefrom and objections thereto having been heard and considered and corrections made; and said rolls as corrected, having, on the 7th day of February 1927, been duly ratified and confirmed, and said special assessments ordered levied and collected, now therefore

BE IT RESOLVED, By the Council of the Village of East Grand Rapids, Michigan, that, for the purpose of constructing and installing a sanitary sewer in said street, the entire cost and expense of which is to be paid by special assessment on the lands and premises in said "Ottawa Hills Sanitary Sewer District No. 2", which said assessments are to be divided into five parts, one part of which is to be collected during the current year and one part of which is to be collected annually thereafter until the whole is collected, and for the purpose of borrowing sufficient money to pay for said improvement, over and above the amount to be collected during the current year, there shall be issued coupon bonds of the Village of East Grand Rapids, in the total amount of \$12,407.00 to be paid out of the special assessment levied against the lands and premises in said "Ottawa Hills Sanitary Sewer District No. 2" when the same are collected, one-fourth of said bonds to be made payable and mature in the year 1928, and one-fourth to be made payable and mature in the years 1929, 1930 and 1931 respectively; and be it further

RESOLVED, That said bonds shall bear interest at the rate of five per cent per annum, payable semi-annually, from the date of said bonds and that said bonds shall be as near as may be in denominations of \$5,000.00 each and there shall be specified on the face of each of said bonds the particular public improvement for which the same is issued, namely for the construction of a sanitary sewer in the aforesaid mentioned streets, and each bond shall contain upon its face a statement that it is payable from said special assessment district. Said bonds and coupons shall be in substantially the following form:

Mr. Emil B. Gansser,
1201 G.R. Savings Bank Bldg.
Grand Rapids, Michigan.

Dear Sir:

In response to your letter of February 5, regarding the filing of water and sewerage system plans for the Village of East Grand Rapids, we would state that on a second examination of our files we find that the only sewerage plans which Mr. James R. Rumsey made and submitted to this bureau were received on January 20, 1917.

Since much sewer construction has been accomplished in East Grand Rapids since the above date, it will be necessary that the Village Engineer prepare a general plan of the sewerage system showing all grades, elevations, size of pipe and other appurtenances to fulfill the requirements of Act 98, P.A. 1913.

Very truly yours,

Bureau of Engineering,

(Signed) Edward D. Rich, Director.

Motion made by Trustee Osborn, supported by Trustee Tinkler that the Clerk notify the State Department of Health that their wishes will be complied with at once, and all plans be brought up to date.

The Council met according to law as a Board of Canvassers to canvass the result of the special election held March 28th, 1927; the statements and certificates of the Board of Election Inspectors of said special election, and filed in the office of the City Clerk, was presented to the Council, which said statement showed that the total number of votes cast at said special election was Two Hundred Thirty-seven (237), of which number Two Hundred Twenty-four (224) votes were cast in favor of the proposition to borrow the sum of \$125,000.00, for the purpose of installing water main extensions, etc. and issue the bonds of the City therefor and that twelve (12) votes were cast against said proposition and one (1) vote was blank; and that said statement also shows that Two Hundred Twenty (220) votes were cast in favor of the proposition to borrow the sum of \$75,000.00 for enlarging the present city sewage disposal plant and issue the bonds of the City therefor, and that sixteen (16) votes were cast against said proposition, and one (1) vote was blank.

Trustee Tinkler then offered the following resolution:

WHEREAS, This Council has met pursuant to the law to determine the result of the special election held on the 28th day of March, 1927, upon the proposition, viz:

"Shall a city loan of \$125,000 on the faith and credit of the City of East Grand Rapids, Michigan, for constructing an additional well, pump house and connections, for an additional city water supply and for installing water main extensions in certain public streets of this City, and for paying a certain indebtedness heretofore incurred by said City and water main extensions heretofore installed and to issue the bonds of the city in the full amount of said \$125,000.00 therefor, be authorized";

And Whereas, it appears from the statement and certificate of the Board of Election Inspectors for said special election, now on file in the office of the City Clerk, that the total number of votes cast at said special election was Two Hundred Thirty-seven (237) of which number Two Hundred Twenty-four (224) votes were cast in favor of said proposition and twelve (12) votes were cast against it, and one (1) vote was blank; therefore, be it

RESOLVED, By the Council of the City of East Grand Rapids, Michigan, that we do declare said bonding proposition for an additional well, pump house, and connections, and for water main extensions in said City to have received an approved vote of more than two-thirds of the qualified electors voting at said special election, and that we hereby further declare said bonding proposition approved and carried.

Trustee Tinkler moved the adoption of this resolution, supported by Trustee Campbell.

At this time, Trustee Campbell, Chairman of the Street Committee, stated that Mr. Gaston, an official of the Consumers Power Company, had sought permission to install a power and light line along the Reeds Lake Boulevard, from Lakeside Drive to the new Well, located in Remington Park, and he had been unable to gain such permission from the City of Grand Rapids, and consequently the Consumers Power Company would be unable to furnish power and light at the new well.

Resolution offered by Trustee Frye:

That the Consumers Power Company is hereby ordered by the City of East Grand Rapids to proceed immediately with the installation of a pole power line along the Reeds Lake Boulevard from Lake Side Drive to the Location of the newly constructed well located in Remington Park. The said Power line to be in conformance with other power lines contained in the City of East Grand Rapids.

The City of East Grand Rapids does hereby assume all

legal obligations incurred by the execution of the above order.

That a copy of this order shall be duly signed and served upon the Consumers Power Company immediately by the Chief of Police (Mr. Don Williams) of the City of East Grand Rapids, Michigan.

That a copy of this complete resolution be submitted to the City Attorney of the City of East Grand Rapids and he is hereby ordered immediately to protect the interests of the City of East Grand Rapids, Michigan.

Trustee Frye moved the adoption of this resolution, adopted by Trustee Tinkler.

To Mayor and Common Council,
City of East Grand Rapids,
Michigan.

Gentlemen:

In the month of February, 1922, the undersigned, executed and delivered to your City, then Village of East Grand Rapids, a deed of Lot No. 50 of Masonic Home Third Addition to the Village of East Grand Rapids, Michigan.

The deed contained a clause, in substance as follows: "This lot is deeded to the Village of East Grand Rapids, to be used for park purposes only and to be improved as a park within five years after the date of this deed". We find that the deed has not been recorded and on inquiry from the Clerk of your City, learn that he is unable to find the deed and that it has evidently been lost.

More than five years have elapsed since the deed was delivered to your City and you have not complied with the terms of the deed. All that has been done is to draw a small quantity of dirt into the lot and no attempt has been made to complete the work and make a part of it.

You are therefore hereby notified that the said deed is by us treated as a nullity and of no force or virtue; that we now claim ownership to the property free from any claim on the part of the City of East Grand Rapids and shall treat the same accordingly.

You are also notified that you are not to proceed any further with drawing dirt on to the said lot or any other thing or things, nor to enter upon the lot for any purpose and that any entry on the lot by any City authorities, will be treated as trespass.

Yours truly,

To the President & Council
of the City of East Grand Rapids.

Gentlemen:

(Re Claim of H.L.Zipp for Refund)

I herewith submit a report upon the communication of Homer L. Zipp requesting payment of the rebate allowed to property owners on Lake Drive for curb and gutter laid at their own expense, which was referred to me.

When the Council ordered the completion of the curb and gutter in Lake Drive, it determined that one-half of the cost thereof should be paid by special assessment upon the abutting property and one-half by the Village at large.

Inasmuch as theretofore many property owners on said street had laid a curb and gutter in front of their premises at their own expense and without any part of the cost being paid by the Village, the Council determined to give such property owners the same consideration as that asked by the owners who had not heretofore built a curb and gutter in front of their premises and who were asking that the Village at large pay one-half of such cost, and for this purpose the Council determined that such owners who had previously built a curb and gutter should receive a rebate of one-half of \$1.50 per lineal foot, or 75c per foot.

In Addition to the completion of the curbs and gutters, the Council in the same proceedings ordered that the ungraded portion of said street be graded and that new curves on corners be constructed and that one-half the cost of this work, including the cost of street intersections, be assessed upon all property abutting upon said improvement for its entire length; that this cost was estimated at \$1.08 per lineal foot and one-half of this amount or 54c per foot be credited upon the tax for this part of the improvement to be paid by those property owners who were entitled to a rebate, and that the difference between this sum and 75c or 21c per foot, be rebated to such property owners out of the special assessment fund for this improvement.

Some of the curbs and gutters previously built by the property owners had to be rebuilt, and the cost of this rebuilding was to be deducted from any rebate due such property owners. This work was to be done by the contractor and checked by the engineer and a report of such check was to be made to the council, but I am not informed if this has been complied with.

Mr. Zipp's communication states that he paid the tax assessed against him for this improvement, which at 54c per foot would be \$83.60. This tax was paid and no curb or gutter was rebuilt in front of his premises, then he is entitled to a refund of this tax and also a rebate of 21c per foot for 154 feet or \$31.34, making a total refund of \$114.94.

Respectfully Submitted,

(Signed) Emil B. Gansser.

Motion made by Trustee Schmitema, supported by Trustee Campbell, that this matter be referred back to the Attorney.

MRI. GANSSER'S REPORT ON THE CONDITION OF THE PREMISES OF MR. ED. GRUMMETT AT 725 and 729 Gladstone Avenue.

Grand Rapids, Michigan.
April 5, 1927.

To the Council of the City
of East Grand Rapids.

Gentlemen:

I herewith submit the following report in regard to the premises of Mr. Ed Grummet at 725 and 729 Gladstone Avenue. A complaint against these premises was presented to this Council about a year ago. At that time, the complainants claimed that Mr. Grummet was keeping horses in a building for which a permit had been issued as a garage and also in regard to the unsanitary conditions caused by keeping horses on the premises. At that time this matter was referred to me and also to the health officer and a thorough investigation made at the time, which was reported to this Council.

The health officer reported that he had made some recommendations to Mr. Grummet in regard to the care of the premises as to sanitation and that at a later call he found that his recommendations were carried out and the sanitary conditions were not such as to endanger the health of the public.

In my report, I stated the facts to be that Mr. Grummet had lived at this address for more than twenty years and that during all of that time he had been engaged in the teaming business and had a barn in which he kept his horses. This barn was located on another lot which later was purchased by Mr. Boyland and the barn was torn down and Mr. Grummet moved his horses to a small barn on the rear of his lot at 725 Gladstone Avenue. That later he took out a permit for a garage building and complaint had been made that he was using this garage to house horses. On investigation we found that he kept the horses, all but one, in the little stable first mentioned and that one horse was in this garage. He was then notified that he could not keep this horse in the garage and he later took the horse out of the garage.

The objection is made by neighbors that Mr. Grummet is maintaining a nuisance. As a matter of law the fact that a person has a barn and stable upon his premises in which he keeps horses is not in itself a nuisance. A situation like this only becomes a nuisance which the Council can abate whenever the sanitary conditions are such so as to create a menace to the public health, and I cannot say, from my investigation, and from the reports of the health officer and engineer, that the public health is endangered on account of the condition of the premises at the present time.

It is true that Gladstone Avenue in this neighborhood has been changed from a more or less unsightly street to a fine residence street and that the buildings and barn on the premises in question, and the keeping of horses and old wagons and other teaming equipment in a fine residence district is very undesirable and no doubt depreciates the value of property in the neighborhood. However, the City of East Grand Rapids is without authority or power to prohibit the owning keeping and maintaining of horses in the limits of the city, and in fact the zoning ordinance of the city recognizes the right to keep and maintain horses in the city, as it provided for the regulation of stables in the city. The only power within the Council is to provide adequate health and sanitary regulations in the management of stables and the keeping of horses in order to protect the health of the general public; farther than this, the Council cannot go.

The statement is made that Mr. Grummet is carrying on a commercial business in a residential district prohibiting it. The zoning ordinance was first adopted in May, 1922, and it is not retroactive, and the facts are that this stable was on the premises and used by Mr. Grummet as a stable for some time before the zoning ordinance went into effect and consequently the provisions of the ordinance cannot be made applicable to Mr. Grummet, except that he would not be allowed, under the ordinance, to change the present use of the

property excepting for single residence purposes. There is also a provision in the zoning ordinance which permits home occupations in the home, which do not involve a commercial retail business on the premises.

From the report of the Engineer, it appears that the house occupied by Mr. Grummet at 725 Gladstone Avenue is now connected with the sanitary sewer system, but that the house at 729 Gladstone is not connected with the sanitary sewer system. His report shows that a city permit was issued on March 1st, 1927, for constructing a basement, a refrigerator room and a lavatory on the house at 729 Gladstone Avenue, and that these improvements are now being made and comply with the provisions of the zoning ordinance.

It has also been said that the sidewalk is below the street grade. The facts appear to be that some years ago, the City ordered a cement sidewalk to be laid in front of these premises which was done. Since then the street has been paved and the grade in front of these premises which was done. Since then the street has been paved and the grade in front of these premises was raised which leaves the sidewalk somewhat lower than the center of the pavement. The owner of these premises can be required by the Council to repair this sidewalk at his own expense should this sidewalk be out of repair, but the city cannot order this sidewalk to be relaid on the new grade at the expense of the owner if the same is not in need of repair, and if the City desires that this sidewalk be relaid to a proper grade then the expense thereof must be borne by the City.

Respectfully submitted,

(Signed) E.B. Gansser

RESOLUTION BY TRUSTEE CAMPBELL:

WHEREAS, The Council of this City did heretofore, by resolution, order the owners or occupants of the following described lots, lands and premises in the City of East Grand Rapids, viz: Lake Drive, Lake Grove, Gilmour, Harold, Argentine, and San Lu Rae to build a concrete sidewalk in front of their respective premises in accordance with the provisions of the ordinance of said city on sidewalks, and at the same time directed the Marshall of this City to serve a written notice upon each of the owners or occupants of said described lots and premises to build such walks within 30 days after the service of such notice upon each of them, and

WHEREAS, The said Marshall has made his return to this Council that he did personally serve such notice upon each of said owners or occupants to build such walks within 30 days after the service of such notice, and said Marshall having further certified to this Council that the said period of time has elapsed since the service of such notices and that the owners or occupants of the above described premises have neglected and refused to build such sidewalks; and

WHEREAS, This Council did by resolution order and direct the said Marshall to cause the said sidewalks to be build in front of the premises of said owners or occupants so neglecting and refusing to build such walks in accordance with the provisions of the ordinance of the said city relative thereto, and did determine that the cost and expense thereof be paid by the owners or occupants of said premises, and that the amount of all expense incurred thereby, together with the penalty of ten per cent in addition thereto, be reported to the Board of Assessors to be levied by them as a special tax upon said lots, and whereas said Marshall reported to this Council that all

4/6/27

of said sidewalks have been built as directed by this Council and has reported the cost and expense thereof to this Council; now therefore be it

RESOLVED, by the Council of the City of East Grand Rapids, that the cost and expense of building sidewalks in front of the respective lots, lands and premises above described as reported to this Council by said City Marshall, be reported to the Board of Assessors of this City, and that said Board be, and they are hereby directed to make and prepare a special assessment roll of all the aforesaid lots, lands and premises, together with the name of the owner or occupants of each of said lot or parcel of land, and that said Board be, and they are hereby also directed to assess and levy the cost and expense thereof, together with a penalty of ten per cent in addition thereto, upon each of said above described lots, land and premises, and that said Board report said roll to this Council at its next regular meeting; and it is

ORDERED, that the City Clerk notify the chairman of said Board of Assessors of this resolution and deliver to them a copy thereof.

To the Honorable, the President and Council
of East Grand Rapids, Michigan.

Gentlemen:

We, the undersigned, some being owners of property located on both sides of Pioneer Club Road, in the City of East Grand Rapids, said property being lots _____ of Griffith's Lake Park Addition, and lots _____ of Reed's Park Addition, respectfully petition your Honorable Body to take the necessary steps to abandon and close that part of Pioneer Club Road running west from Manhattan Road to a point near the west line of land owned by Walter Pierce and where said Pioneer Club Road angles to the right.

And your petitioners further respectfully petition your Honorable Body to take the necessary steps to acquire, either by gift, purchase or condemnation, the necessary land for a right of way to extend said Pioneer Club Road from the aforesaid angle near the west line of the Pierce land to Manhattan Road as described on the drawing hereto attached, the intent being to extend the Pioneer Club Road easterly in an approximate straight line with that part of Pioneer Club Road lying west of the land of Walter Pierce. In consideration for your favorable action on the above petition, we, the undersigned, will give a right of way for said new road over our lands. Those of us owning lands abutting on Pioneer Club Road to be vacated agree to give quit-claim deeds of any right or title which we may have in any part of said Pioneer Club Road to be abandoned, and closed, to the owners of land given or taken for opening said new street to compensate them for the lands given or taken from them for the above purpose.

Your Petitioners pray that their request be granted and that the reason therefor is that they believe that to open and improve Pioneer Club Road as now laid out would be unwise and detrimental to the future welfare and development of the city in that such improvement would require a fifteen foot cut, which would leave adjoining lots on a high bank and practically valueless and also such cut would fill with snow in the wintertime and become impassable and also that said cut would create a dangerous place for persons using this highway where it intersects with Manhattan Road on account of the high banks on each side, which prevents a clear view of Manhattan Road until practically upon said Road.

The Honorable Council of the City of East Grand Rapids.

Gentlemen:

We herein make application to your Honorable Body for the extension of a Water Main on Boston Street from the present Main at the corner of East Paris Road and Boston Street to lot #226 Paris Park #1.

This is to furnish water service for a dwelling to be erected on this lot.

We are willing to advance the necessary funds for the laying of this main, this money to be returned to us in the customary manner.

We would appreciate your immediate attention to this matter inasmuch as the basement of the house in question is now being excavated and water is necessary for the cement foundation.

Yours truly,

Report as to why Mr. Eckman did not pay his alimony regularly. Mr. Linkfield states that Mr. Eckman has been out of work for a few weeks and is about four weeks in arrears. Mr. Eckman paid six (\$6.00) Dollars April 8th, 1927, and promises to pay regularly hereafter. Mr. Linkfield suggests that we investigate the case of Mrs. Eckman further before giving her assistance, inasmuch as Mrs. Eckman is able bodied and there is nothing to keep her from working and helping to support herself. Mr. Gansser's corrected report on rebate due Mr. Zipp on Lake Drive Paving:

March 25, 1927

To the President & Council of the City of East Grand Rapids.

Gentlemen:

(Re claim of H.L. Zipp for Refund)

I herewith submit a report upon the communication of Homer L. Zipp requesting payment of the rebate allowed to property owners on Lake Drive for curb and gutter laid at their own expense, which was referred to me.

When the Council ordered the completion of the curb and gutter in Lake Drive, it determined that one-half of the cost thereof should be paid by special assessment upon the abutting property and one-half by the Village at large.

Inasmuch as theretofore many property owners on said street had laid a curb and gutter in front of their premises at their own expense and without any part of the cost being paid by the Village, the Council determined to give such property owners the same consideration as that asked by the owners who had not heretofore built a curb and gutter in front of their premises and who were asking that the village at large pay one-half of such cost, and for this purpose the Council determined that such owners who had previously built a curb and gutter should receive a rebate of one-half of \$1.50 per lineal foot, or 75c per foot.

In addition to the completion of the curbs and gutters, the Council in the same proceedings ordered that the ungraded portion of said street be graded and that new curves on corners be constructed and that one-half the cost of this work, including the cost of street intersections, be assessed upon all property abutting upon said improvement for its entire length; that this cost was estimated at \$1.08 per lineal foot, and one-half of this amount or 54c per foot be credited upon the tax for this part of the improvement to be paid by those property owners who were entitled to a rebate, and that the difference between this sum and 75c or 21c per foot, be rebated to such property owners out of the special assessment fund for this improvement.

Some of the curbs and gutters previously built by the property owners had to be rebuilt, and the cost of this rebuilding was to be deducted from any rebate due such property owners. This work was to be done by the contractor and checked by the engineer and a report of such check was to be made to the Council, but I am not informed if this has been complied with.

Mr. Zipp's communication states that he paid the tax assessed against him for this improvement, which at 54c per foot would be \$83.50. This tax was paid and no curb or gutter was rebuilt in front of his premises, then he is entitled to a refund of this tax and also a rebate of 21 cents per foot for 154 feet or \$32.34, making a total refund of \$115.94

Collection fee 83

Respectfully submitted,

(Signed) E.B. Gansser.

As this was the time and place set for the receiving of bids for the laying of water mains in Lakeside Drive and Reeds Lake Boulevard for the purpose of connecting the new well with the present water distribution system of this City, and there being four bids presented these were opened.

The first bid was from A. M. Zomer and amounted to the sum of \$7,908.65; the second bid was from John Brogan, and amounted to the sum of \$7,427.20; the third bid was from Ole Johnson and amounted to the sum of \$7,556.40; the fourth bid was from Carol Williams and amounted to the sum of \$8,429.50. The engineer's estimate for this work amounted to the sum of \$8,184.60.

Motion made by Trustee Osborn, supported by Trustee Tinkler that this matter be referred to the President and Attorney and that they be authorized to draw up a contract for this work, and let same to the contractor who, in their opinion, could start the work the soonest and is the lowest bidder; provided, that surety bonds furnished by such contractor are acceptable to said President and Attorney.

RESOLUTION OFFERED BY TRUSTEE OSBORN:

WHEREAS, This Council has deemed the construction of a sanitary sewer in Wilshire Drive, from East Paris Road to the east line of Lot No. 47, Paris Park Addition, a public street in the Village of East Grand Rapids, to be a necessary public improvement, and did heretofore determine to order the construction of said improvement, and to establish a sewer district and special assessment district to defray the entire cost and expense of said improvement; and

WHEREAS, This Council has caused a map, plat and diagram of the lands and premises benefited by such proposed improvement, and a map, plan and diagram of the proposed route, location, depth, grade and dimensions of said sanitary sewer, including the construction of the necessary branches, man-holes, catch-basins, Y's and laterals together with an estimate of the cost of said proposed improvement, to be made, which said maps, plat, plan and diagrams, and estimate of the cost has been submitted to this Council, therefore, be it

RESOLVED, By the Council of the Village of East Grand Rapids, that the cost and expense of said improvement, including the cost of said estimate, maps, plat, plan and diagrams, and the assessments incident thereto, be and the same is hereby estimated at the sum of One Thousand Four Hundred Eighty-nine (\$1,489.00) Dollars; and be it

FURTHER RESOLVED, That this Council deems all lands and premises, lots, parts of lots and parcels of land abutting upon and adjacent to either side of said Wilshire Drive, and lying between East Paris Road and the east line of Lot 47, Paris Park Addition, and extending back at right angles to said street to the rear line of the lots and parcels of land abutting thereon, will be benefited by said improvement, and that this Council intends to establish a sewer and special assessment district comprised of the lots, lands and premises above described and as shown by said map, plat and diagram submitted to this Council, and that the entire cost of said improvement be defrayed by special assessment upon the lands and premises within said sewer and special assessment district according to the benefits derived by each of said lots or parcels of land from said improvement; and be it further

RESOLVED, That the said maps, plat, plans and diagrams and said estimate of the cost thereof, be filed with the Clerk of this Village, and that this Council will meet on Monday, May 2nd, 1927, at the Council Room in said Village at eight o'clock in the evening of said day or as soon after said hour that a hearing can be had, to hear and consider any objections or suggestions to said proposed improvement or to said maps, plat, plan or diagrams, or to the establishment of said proposed sewer and special assessment district, and that the Village Clerk prepare and post proper notices of the filing of said maps, plat, plan and diagram and of said estimate in his office, and of the determination of the Council to make said proposed improvement and to assess the cost thereof upon the owners and occupants of the lands and premises within said sewer and special assessment district according to the benefits, and of the time and place when the Council will meet to hear and consider objections to said improvement and to said maps, plat, plan and diagrams, and estimate and to the establishment of said sewer and special assessment district; and be it further

RESOLVED, That when this Council orders said proposed improvement to be made, the amounts to be assessed against each lot or parcel of land in said special assessment district, shall be divided into five equal parts, one part to be collected this year, to-wit: 1927, and one part to be collected annually thereafter until the whole is collected, with interest upon all the deferred payments at the rate of six (6) per cent per annum from the date of the confirmation of the special assessment roll and that the Council intends to issue bonds for the unpaid amounts to be paid out of said unpaid special assessments.

At this time four bids were received from Contractors for the excavating and hauling of dirt at the Disposal Plant, which were as follows:

(1)

April 19, 1927.

Village of East Grand Rapids,
East Grand Rapids, Michigan.
c/o Dr. O.B. Frye.

We propose to excavate bids for disposal plant at a price of (\$1.37) One Dollar thirty-seven per cubic yard for a two mile or under haul of dirt.

(Signed) LOOMIS & MAUZY
By C.M. Loomis.

(2)

April 22, 1927.

Dr. O.B. Frye, Chairman, Disposal Plant Committee,
2318 Lake Drive, S.E.,
Grand Rapids, Mich.

Dear Sir:

Referring to your inquiry of our prices for excavating and hauling sand from the Disposal Plant within the two mile radius.

After going the grounds to that purpose carefully, we would have to have at the very least, \$1.25 per yard.

Under ordinary conditions our rate, off hand would be 75 or 80 cents the first mile and 20 cents additional for every mile thereafter.

Hoping we can serve you in the near future.

Yours truly,
(Signed) J. Vinkemulder.

(3)

April 19th, 1927.

Village of East Grand Rapids,
East Grand Rapids, Michigan.

Gentlemen:

Enclosed find bid for removing material from your Disposal Bed to be hauled two miles or less for the sum of \$1.35 (one dollar and thirty five cents) per cubic yard.

Yours very truly
DE GOOD TRANSFER COMPANY
(Signed) Jas. DeGood.

(4)

April 25th, 1927

City of East Grand Rapids,

Gentlemen:

We agree to finish work of excavation at Disposal Plant, and haul same two miles or less, for one dollar and twenty-five cents per cubic yard.

Have had quite a bit of expense on account of water and quick sand, but will finish job for above price, if work can be started at once.

(Signed) P.W. O'Connor Co.

Motion made by Trustee Frye, supported by Trustee Tinkler, that the P.W.O'Connor Company be awarded the contract for completing the excavation work at the Disposal Plant, according to State plans and supervision.

5/2/27

As this was the time and place set for the receiving of sealed proposals for the purchase of water main extension bonds and sewage disposal system bonds, which are to be issued by the City of East Grand Rapids, Michigan, in the total amount of \$155,000.00 with interest at four and one-fourth ($4\frac{1}{4}$) per cent per annum, payable semi-annually; and there being five (5) proposals submitted these were opened.

The first bid was from the Detroit Trust Company, and their offer was that they would pay a premium of Eighty-five Dollars and 50/100 (\$.85.50) and print the bonds at their expense. The second bid was from the Illinois Merchants Trust Company and their offer was that they would pay a premium of Five Hundred Twenty-nine (\$529.00) Dollars provided that the City of East Grand Rapids furnish the bonds. The third bid was from the Bank of Detroit and was withdrawn by their representative at this time. The fourth bid was from the Harris Trust and Savings Bank and their offer was that they would pay a premium of One Hundred Seventy-seven (\$177.00) Dollars and print the bonds at their expense. The fifth bid was from the Grand Rapids Trust Company and was withdrawn at this time.

Motion made by Trustee Tinkler, supported by Trustee Schuitema, that the bid of the Illinois Merchants Trust Company, which reads as follows, be accepted, and that the Clerk be instructed to return the certified check of the other bidders.

BID OF THE ILLINOIS MERCHANTS TRUST COMPANY

Chicago, Ill.

May 2, 1927.

Mr. Peter R. Schregardus, City Clerk,
East Grand Rapids, Michigan.

For \$30,000, thirty thousand dollars, four and one-quarter per cent ($4\frac{1}{4}$ %) coupon Sewage Disposal Plant Bonds of the City of East Grand Rapids, Kent County, Michigan, dated May 1st, 1927, and maturing on May 1st from one to ten years after date in accordance with the advertised notice of sale, the first maturity being for \$2,000, the last maturity being for \$4,000; and

For \$125,000, one hundred twenty-five thousand dollars, four and one-quarter per cent ($4\frac{1}{4}$ %) coupon Water Works Extension Bonds of the City of East Grand Rapids, Kent County, Michigan, dated May 1, 1927 and maturing on May 1st, from one to twenty years after date in accordance with the advertised notice of sale, the first maturity being for \$4,000 and the last maturity for \$9,000, both issued without option of prior payment, in \$1,000 denomination, principal and semi-annual interest payable at a place which is mutually agreeable

We offer the par value thereof plus accrued interest to date of delivery to us and in addition thereto a premium of Five Hundred Twenty-nine (\$529.00) Dollars, you to furnish the necessary printed bonds without expense to us.

This offer is for prompt acceptance only and is made subject to the approving legal opinion of Messrs. Miller, Canfield, Paddock and Stone or any other attorneys' opinion which is marketable, as to the validity of the bonds and that authority exists for the levy of a direct annual tax against all the taxable property within said East Grand Rapids, Kent County, Michigan, sufficient to pay principal and interest when due, we to pay the cost of such attorney's opinion should the expense amount to more than \$155 which amount the City has agreed to assume, and you to furnish us prior to the delivery of the bonds a complete, certified transcript of all proceedings had in connection with their issuance. This offer contemplates delivery of the bonds to us on or about May 15, 1927.

We had you herewith our certified check for \$1,600, as evidence of our good faith in the above offer, same to be retained as part of the

purchase price in the event our offer is accepted, or returned at once in the event the bonds are not awarded to us, or should the above named attorneys decline to approve their legality.

RESOLUTION OFFERED BY TRUSTEE OSBORN:

WHEREAS, It is proposed that there be constructed a storm sewer in Wilshire Drive, from Hall Street to Newport Road; Newport Road, from Wilshire Drive to Elmwood Drive; Elmwood Drive, from Newport Road to Eastlawn Road; Eastlawn Road, from Elmwood Drive to Estelle Drive; Estelle Drive, from Eastlawn Road to Rosalind Road; thence east on the southerly line of Lots 405 and 392 of Paris Park Addition #2 and the northerly line of Lots 404 and 393 of Paris Park Addition #2, from Estelle Drive to East Paris Road, public streets in the Village of East Grand Rapids, and to establish a special assessment district to defray the entire cost of said proposed improvement.

Therefore, Be It RESOLVED, By the Council of the Village of East Grand Rapids, Michigan, that it deems the construction of said storm sewer in the aforesaid streets to be a necessary public improvement, and that this Council has determined, and does hereby determine to make said public improvement, viz: to construct a storm sewer in Wilshire Drive, from Hall Street to Newport Road; Newport Road, from Wilshire

Drive to Elmwood Drive; Elmwood Drive, from Newport Road to Eastlawn Road; Eastlawn Road, from Elmwood Drive to Estelle Drive; Estelle Drive, from Eastlawn Road to Rosalind Road; thence east on the southerly line of Lots 405 and 392 of Paris Park Addition #2 and the northerly line of Lots 404 and 393 of Paris Park Addition #2, from Estelle Drive to East Paris Road, public streets in the Village of East Grand Rapids, including the construction of the necessary man-holes, catch-basins, Y's and laterals in connection therewith, and to defray the cost and expense of said improvement, by special assessment upon the lands and premises benefited by said improvement and according to benefits derived therefrom, and be it

FURTHER RESOLVED, That this Council intends to establish a special sewer district upon which said special assessment shall be levied, to include all the lands and premises, lots, parts of lots and parcels of land as now recorded in the office of the Register of Deeds for Kent County, Michigan, abutting upon and adjacent to either side of the aforesaid several streets, and extending back at right angles thereto to the rear lot line of the lots and parcels of land abutting thereon; that this Council deems that all the lands and premises lying within said proposed sewer district will be benefited by said improvement; and be it

FURTHER RESOLVED, That the Village Engineer be and he is hereby instructed to prepare and furnish to this Council a map, plat and diagram showing the boundaries and divisions of all the lots and premises in said sewer district as now recorded in said Register of Deeds Office, and a map, plan and diagram showing the proposed route and location of said storm sewer through said sewer district, together with its depth, grade and dimensions, and also an estimate of the cost of said proposed improvement.

Gentlemen:

We, the undersigned property owners on Pioneer Club Road, do hereby protest against any action that may be taken by your Honorable Council towards purchasing the property and home of Mr. Klasse, for the extension of Pioneer Club Road. It is our belief and opinion that this road can be laid out so that it will run on the north side of Mr. Klasse's property, and consequently save the City of East Grand Rapids the price that would have to be paid for the purchase of Mr. Klasse's house.

We have no objections to laying this road thru Mr. Klasse's property if it will aid any particular person or persons, but we do contend as this is to the benefit of certain person or persons, said party should stand the cost and expense of purchasing Mr. Klasse's property and house

We further call your attention to the statement made by Mr. Whiting to the Council, about two months ago when he asked to have the original plan changed, as by making the change the cost of the road would be reduced very considerable.

Gentlemen you can all very well see that if said house has to be bought that the cost will not be reduced, but will be doubled.

Honorable Council,
East Grand Rapids, Mich.

Dear Sirs:

The writer has taken up the matter of Mr. Jack's and Mr. Schrave-sande's underground service installed last Fall, with Mr. Wallie Campbell, Chairman, and Messrs, Frye and Osborn, of the same committee, and believes that the bill can be amicably settled, agreeable to all parties.

This bill has run a long time, and due to a misunderstanding, has been left unpaid, Mr. W.K. Whiting and myself acted in good faith both assuming that the other had the order to go ahead with this work, which entailed considerable material and labor amounting to \$306.58.

Therefor, if your kind attention can be brought to this bill, and a settlement made, the same will be greatly appreciated.

Thanking you in advance, I am,

Yours truly,

HI-LO ELECTRIC CO.

(Signed) Frank V. Hiaeshutter.

Trustee Campbell, at this time, stated that this matter is being investigated and that the Street Committee would bring in report on same at the next regular meeting.

Motion made by Trustee Schuitema, supported by Trustee Osborn, that the communication of the Hi-Lo Electric Company be received and filed and that this matter be laid on the table until the next regular meeting of this Council.

To Whom it may Concern:

During the past six weeks, I have been running chemical and bacteriological analysis of the various units of the East Grand Rapids Sewage Disposal Plant. From my investigations, I find that there is

5/16/27

about ten per cent (10%) reduction of solids in the final effluent over the raw sewage and about ninety-one per cent (91%) reduction of bacteria. I find that the greater reduction is taking place in the sand filters. The tanks show very little reduction, due to the fact that they are greatly over loaded, which does not allow the sewage to remain quiet long enough for either sedimentation or digestion to take place.

Very truly yours,

(Signed) Howard W. Koch.

Mr. W.G. Campbell, Chairman Street Committee
East Grand Rapids,
Michigan.

Dear Mr. Campbell:

We were served yesterday with a notice calling for construction of a sidewalk on Plymouth Road, between Wealthy and Sherman Streets.

The hospital has a number of expensive repairs on hand this summer, including replacement of a boiler. We are unable to accumulate funds for such purposes from operating sources, and an increase of our burden of raising funds by solicitation for the purpose of building the sidewalk referred to presents many difficulties at this time.

We therefore respectfully request your committee to recommend to the Council that the building of this sidewalk be deferred, for the summer at least. We feel that we may reasonably ask this consideration, which will be of great assistance to the hospital and the public it serves, as Plymouth Road has so little foot traffic at this time.

Respectfully,

(Signed) D.M. Morrill, M.D.,
Director.

Gentlemen:

My water bills have been averaging upwards to \$12.00 or more per month, and a large part of this is due to the fact that to raise the water in the basement on a level with the sewer seems to require an excessive amount of city water.

Would appreciate a suggestion from your honorable body as to what as to what can be done about it.

Respectfully yours,

Dear Sir:

I would be pleased to know when you expect to commence paving Gladstone Drive, from Alexander St., to Pontiac Road, as I am living in a residence on the corner of Pontiac Road and Gladstone Drive and am anxious to have this pavement in as soon as possible.

I would also be glad to know when you expect to grade Pontiac Road from the city limits to Gladstone Drive. As I understand there is to be a 4-foot cut at this point, such being the case, it will be impossible for me to put in my sidewalk until this grading is completed, and I am anxious to have a sidewalk in front of my home.

TO THE HONORABLE COUNCIL OF THE VILLAGE OF EAST GRAND RAPIDS:

Now come, the undersigned, who are property owners on Lake Drive, Village of East Grand Rapids, where it is proposed to erect a cement sidewalk six (6) feet in width, and hereby protest against the construction of same for the following reasons:

1. That the building of said sidewalk is an unnecessary and needless expense to the undersigned.
2. That there are practically no houses constructed on the property where said sidewalk is proposed.
3. That there are very few persons who would benefit by the construction of said sidewalk.
4. That the building of said sidewalk is an unwarranted burden to the undersigned at this time, inasmuch as no practical purpose is to be served to the great majority of property owners in this vicinity who do not live on said property but who must bear practically the entire expense of construction.
5. That it will no doubt be several years before sufficient people are living in said vicinity to make necessary the construction of a sidewalk and that by the time such necessity becomes apparent a new sidewalk will undoubtedly have to be built in place of the one now proposed.

RESOLUTION BY TRUSTEE CAMPBELL:

WHEREAS, the Engineer of the City of East Grand Rapids has prepared and submitted to this Council a plat and diagram and an estimate of the cost of grading and graveling Pioneer Club Road, a public street in the City of East Grand Rapids, Michigan, from Reeds Lake Boulevard to Manhattan Road, and a plat, map and diagram of the proposed new location of the westerly portion of said Pioneer Club Road, and an estimate of the cost of acquiring the necessary lands therefor, and said cost for said proposed improvement and of said lands having been estimated by him at the sum of Nine Thousand Thirty (\$9,030.00) Dollars, and said Engineer has also prepared and submitted to this Council a map, plat and diagram of all the lands and premises abutting upon either side of said improvement and of said new location and right of way now, therefore, be it

RESOLVED, that the cost of said improvement, including the cost of said estimate and the surveys, plat and diagram of the work and locality to be improved, and the cost of the map and diagram of the lands and premises to be assessed therefor, and of the assessments incident thereto, be, and the same hereby is estimated at the sum of Nine Thousand Thirty (\$9,030.00) Dollars; and be it

FURTHER RESOLVED, That this Council do, and it hereby does, establish a special assessment district of all the lands, lots, parts of lots and parcels of land as now recorded in the office of the Register of Deeds in and for Kent County, Michigan, abutting upon either side of said Pioneer Club Road, from the south line of Reeds Lake Boulevard to the west line of Manhattan Road, and extending back at right angles to said Pioneer Club Road to the rear lot line, as shown by said map and diagram; that fifty-five (55%) per cent of said estimated cost of said improvement be defrayed by special assessment upon said lands and premises within said district, according to foot frontage, to be collected in five annual installments, and that forty-five (45%) per cent of said cost be paid from the general highway fund of the City of East Grand Rapids to be collected annually for five years; and be it

FURTHER RESOLVED, That the said map, plats, and diagrams and said estimate of the cost and expense of said improvement be filed in the office of the City Clerk and that this Council meet at the Council room in said City on June 6th, 1927, at eight o'clock in the evening of said day, or as soon thereafter as persons interested can be heard, to hear and consider any objections or suggestions to said improvement, or to said map, plat and diagrams, and to said estimate from any person interested in or liable to be assessed therefor, or to the establishment of said special assessment district, and that the City Clerk prepare and post proper notices of the determination of the Council to make said improvement and to assess the fifty-five (55%) per cent of the cost thereof upon the owners or occupants of the lands and premises within said special assessment district, and of the filing of said map, plats, diagrams and estimate of the cost in the office of the City Clerk, where the same may be inspected, and of the time and place when and where the Council will meet to hear and consider objections or suggestions to said improvement, and to said map, plats, diagrams and estimates, and to the establishment of said special assessment district; and be it

FURTHER RESOLVED, that the Board of Assessors of the Village be, and they are hereby directed to make and prepare a special assessment roll of all the lands and premises within said special assessment district, as shown by said map, plat and diagram, said roll to be in five parts numbered one, two, three, four and five respectively, each part to contain a list of each lot, part of lot or parcel of land, constituting said special assessment district with the names of the owners or occupants of each lot or parcel, and that said Board be, and they are hereby further directed to assess and levy upon and against each lot, part of lot or parcel of land within said district, such relative portion of the whole of said estimated sum to be levied for said improvement, shall be proportionate to the estimated benefit resulting to such lot or parcel from said improvement, and report said roll to the Council at the regular meeting to be held June 6th, 1927, and it is

ORDERED, that the Village Clerk notify the chairman of said Board of Assessors of this resolution and deliver to him a copy of the map, plat and diagram now on file in his office.

City Council,
East Grand Rapids,
Michigan.

Gentlemen:

Will you please reconsider my appeal for a permit for a house on Lot 131 Masonic Home Addition allowing 20% clearance instead of 23% clearance.

The house I have planned for this lot will be so very much nicer than one I could build on the same wall without the attached garage.

Most sincerely,

Mr. Fred Paulo, at this time, verbally petitioned the Council that a concrete pavement, curb and gutter be constructed in and upon Plaza Place, from Lake Drive to Pasadena Street; Pasadena Street, from Plaza Place to Bellelaire Avenue; and Bellelaire Avenue, from Pasadena Street to Frederick Court.

Resolution offered by Trustee Campbell:

WHEREAS, It is proposed that there be constructed a concrete pavement, curb and gutter in and upon Plaza Place, from Lake Drive to Pasadena Street; Pasadena Street, from Plaza Place to Bellelaire Avenue; and Bellelaire Avenue, from Pasadena Street to Frederick Court, public streets in the City of East Grand Rapids, Michigan, and to establish a special assessment district therefor, and to pay a part of the cost of said proposed improvement from the general highway fund of the City and a part of such cost to be assessed and collected in said special assessment district;

THEREFORE, Be It RESOLVED, that this Council deems the construction of a concrete pavement, curb and gutter in the aforesaid streets to be a necessary public improvement, and that this Council has determined and it does hereby determine to make said public improvement, viz: to construct a concrete pavement, curb and gutter in and upon Plaza Place, from Lake Drive to Pasadena Street; Pasadena Street, from Plaza Place to Bellelaire Avenue; and Bellelaire Avenue, from Pasadena Street to Frederick Court, public streets in the City of East Grand Rapids, Michigan, and to defray the one-half part of the cost and expense of such improvement by special assessment, according to foot frontage, and the other one-half part of such cost and expense from the general highway fund of the Village; and be it

FURTHER RESOLVED, that the district, lands and premises upon which such special assessment shall be levied are as follows:

All lands, premises, lots, parts of lots and parcels of land as now recorded in the Register of Deeds Office in and for Kent County, Michigan, abutting upon either side of Plaza Place, from Lake Drive to Pasadena Street; Pasadena Street, from Plaza Place to Bellelaire Avenue; and Bellelaire Avenue, from Pasadena Street to Frederick Court, and be it further

RESOLVED, that the City Engineer be instructed to prepare and furnish to this Council at its next regular meeting, a plat and diagram of the work and of the locality to be improved and an estimate of the cost of such improvement and also a map, plat and diagram of each and every lot, parts of lots and parcels of land as now recorded in said Register's Office, fronting and abutting upon either side of said Plaza Place, from Lake Drive to Pasadena Street; Pasadena Street, from Plaza Place to Bellelaire Avenue; and Bellelaire Avenue, from Pasadena Street to Frederick Court.

To the Honorable Common Council,
East Grand Rapids, Michigan.

Gentlemen:

I most respectfully petition your Honorable Body to improve Conlon Drive and Makasa Court of East Grand Rapids, on Lake Drive Manor. I may be unnecessary for me to call your attention to this high grade residential section of your city. Each home built in this plat will add a great deal of revenue to your city. I have expended a large sum of money in this development and plat and Conlon Drive and Makasa Court are public streets; both are in great need of improvement. Pavement would be preferred on my part. If, however, your honorable body does not take the same view, I do urgently request you to smooth out the street and place sufficient gravel or cinders for temporary travel and until these streets can be improved by fitting pavement or asphalt or cement. The sewer is in from Lake Drive through Conlon Drive to Makasa Court and in Makasa Court east to the east limit of the plat. Hall Street the south limit will shortly be improved, as I am informed, and I would be pleased to have the sewer extended to connect with Hall Street. You will readily observe that nearly 90% of this expense will be assessed back on the abutting property owned by the undersigned. From this you will see that I am not adverse to paying for what I ask of you. It would take some time, however, for you to reach this permanent paving and sewer. In the mean time may I ask you once more to have the street placed in passable condition, the smoothing over of the highway and the covering of it with cinders or gravel as it may please your honorable Common council. May I not ask that this communication be referred to your street committee and that I have an early hearing and that the committee may have power to act.

Dated this 23rd day of May, A. D., 1927.

(Signed) Mary E. Conlon

RESOLUTION OFFERED BY TRUSTEE TINKLER:

WHEREAS, the Village Engineer has prepared and submitted to this Council a map, plat and diagram and an estimate of the cost of constructing a concrete pavement, curb and gutter in and upon Plaza Place, from Lake Drive to Pasadena Street; Pasadena Street, from Plaza Place to Belleclaire Avenue; and Belleclaire Avenue, from Pasadena Street to Frederick Court, public streets in the Village of East Grand Rapids, Michigan, and said cost having been estimated by him at the sum of \$12,307.00, and said Village Engineer having also prepared and submitted to the Council a map, plat and diagram of all the lands and premises abutting upon either side of said improvement, now, therefore

BE IT RESOLVED, that the cost of said improvement, including the cost of said estimate and surveys, plat and diagram of the work and locality to be improved, and the cost of said map and diagram of the lands and premises to be assessed therefor, and of the assessments incident thereto, be and the same hereby is estimated at the sum of \$12,307.00; and be it

FURTHER RESOLVED, that this Council do and it hereby does establish a special assessment district of all the lands, lots, parts of lots and parcels of land as now recorded in the office of the Register of Deeds in and for Kent County, Michigan, abutting on either side of Plaza Place, from Lake Drive to Pasadena Street; Pasadena Street, from Plaza Place to Belleclaire Avenue; and Belleclaire Avenue, from Pasadena Street to Frederick Court, as shown by said map and diagram; that one-half of the estimated cost of said improvement be defrayed by special assessment on the lands and premises within said special assessment district according to foot frontage, to be collected in five annual installments, and that one-half of said cost to be paid from the general highway fund of the Village of East Grand Rapids to be collected annually for five years, and be it

FURTHER RESOLVED, that said map, plats, diagrams and said estimate of the cost and expense of said improvement be filed in the office of the Village Clerk and that this Council meet at the Council room in said Village on Tuesday, the 14th day of June, 1927, at 7:30 o'clock in the evening of said day, or as soon thereafter on said day as persons interested can be heard, (to hear and consider any objection or suggestion to said improvement or to said map, plats and district, from any person interested in or liable to be assessed therefor, and that the Village Clerk prepare and post proper notices of the determination of the Council to make said improvement and to assess one-half of the cost thereof upon the owners or occupants of the lands and premises within said special assessment district, and of the filing of said maps, plats and diagrams and estimate of said cost in the office of the Village Clerk, where the same may be inspected and of the time and place when and where the Council will meet to hear and consider objections or suggestions to said improvement and to said map, plats, diagrams and estimates and to the establishment of said special assessment district; and be it further

RESOLVED, that the Board of Assessors of the Village be, and they are hereby directed to make and prepare a special assessment roll of all the lands and premises within said special assessment district as shown by said map, plat, and diagram said roll to be in five parts numbered one, two, three, four and five respectively, each part to contain a list of each lot, part of lot or parcel of land constituting said special assessment district with the names of the owners or occupants of each lot or parcel of land in said district, and that said Board be, and they are hereby further directed to assess and levy fifty per cent (50%) of said cost upon and against each lot, part of lot or parcel of land within said district, according to foot frontage, and one part of said assessment to be collected in the current year, to-wit: 1927, and one of said parts to be collected annually thereafter until the whole is collected; and if from the shape or size of any such lot an assessment thereon in proportion to its frontage would be unjust and disproportionate to the assessments upon other lots, said Board shall assess such lot for such number of feet frontage as the Board deems to be equitable; and it is

ORDERED, that said Board apportion against the Village of East Grand Rapids, fifty per cent (50%) of said improvement to be paid from the Village highway funds, to be raised by tax upon all taxable property in the Village, in five equal annual installments, and report said roll to this Council at its next regular Meeting to be held June 14th, 1927; and it is further

ORDERED, that the Village Clerk notify the Chairman of said Board of Assessors of this resolution and deliver to him a copy of the map, plat and diagram now on file in his office.

PETITION OF C.W. PARMELEE, INSURANCE AGENT

Mr. B.P. Kenyon, President,
Village of East Grand Rapids,
Grand Rapids, Michigan.

Dear Sir: ,

6/6/27

Understanding that the various forms of coverage carried by the Village are being distributed after having been written more or less by one agent for some time and being a tax-payer in the Village I would ask that my right to a portion of your business be recognized.

I am interested only in coverage either on public buildings, automobiles or trucks, and not the compensation coverage.

My position in the Fire and automobile insurance business is that of agent and stock-holder.

Respectfully submitted with request that I be advised if I can not participate in the Village insurance.

Very truly yours,

CWP-FB

Communication from Mr. W.L. Johnson in regard to 1926 water bill:

6/6/1927

To the Council of East Grand Rapids:

Gentlemen:

For the reason that I did not have water service last year, I would ask that your bill of \$10.00 be cancelled.

I have been getting water this year since the first of May, and am willing to pay this years bill.

Yours truly,

(Signed) W.L.Johnson.

Communication from Chas. Dregge.. Re: Rebate on Lake Drive Paving.

May 25, 1927

Honorable Village Council,
East Grand Rapids, Michigan.

Gentlemen: Attention Mr. P.R. Schregardus.

I have just received notice from the village Treasurer of the third assessment of \$22.03 due on the paving of district #3 of Lake Drive.

Your records will show that I have written you about a dozen times during the last two years, in an effort to get this matter straightened up, and the last work which I have from you was received nearly a year ago. That is, under date of June 22nd, and your letter of June 22nd reads as follows:

"In answer to your letter of May 29th, I wish to state that I have been instructed by the Council of the Village of East Grand Rapids to write and inform you that this matter will be taken up at once and that you will hear from us in the near future.

Hoping this meets with your approval, we are"

You will appreciate that it is not my desire not intention to want to get this matter any more complicated than it is, and inasmuch as I have held it up this long in an endeavor to get it straight, I do not want any of these items returned on your tax-roll as unpaid, on account of any delinquency on my part, as I have all records here to substantiate the efforts that I have put forth to get this matter adjusted, and up to this moment I have been trying ever since September 12th, 1925, to get this straightened away.

You will, therefore, appreciate, that I cannot let this hang fire any longer, and if you are not in position to give it the proper attention, it necessarily will remain for me to take this matter up with someone higher in authority, and I trust that you will give it immediate attention.

Very truly yours,

(Signed) Chas. Dregge.

RESOLUTION BY TRUSTEE TINKLER:

WHEREAS, the Council of the City of East Grand Rapids, Michigan, has determined to raise by general tax upon all the real and personal property in said city subject to taxation, for the year 1927, the sum of \$51,955.70 for the general fund, and the sum of \$27,318.80 for the general highway fund and the sum of \$24,546.00 for the sinking bond and interest fund, and

WHEREAS, It appears from the statement of the city treasurer attached to his return of the several special assessment rolls, that certain special assessments due and payable during the past year have not been paid, and

WHEREAS, the assessment roll for the year 1927 has been certified to us by the Board of Review for examination and said roll having been duly examined by us, now therefore be it

RESOLVED, by the Council of the City of East Grand Rapids, Michigan, that the President and Clerk of this city do properly certify the assessment roll for the year 1927, to the City Assessor, together with the direction to him to levy the sum of .00635 mills for the general fund, and the sum of .0034 mills for the general highway fund, and the sum of .003 mills for the sinking bond and interest fund, upon all the real and personal property appearing in said roll, said several sums being the amount which we require to be raised by general tax for said several funds for said year, and be it

FURTHER RESOLVED, That the special assessments returned by the City Treasurer as unpaid be re-assessed and spread upon said roll in a separate column, and that said President and Clerk do also properly certify all the amounts of said unpaid special assessments to the City Assessor, together with the direction to him to re-assess said unpaid assessments, including interest, upon the lands and premises of which the following is a list as shown by the statement of the City Treasurer, together with the particular description of the lands and premises upon each parcel of land, and the name or names, so far as known to us, of the persons chargeable with such tax, viz:-

REPORT OF TRUSTEE O.B.FRYE, CHAIRMAN OF THE SEWAGE DISPOSAL PLANT COMMITTEE

To the City Council of East Grand Rapids.

Gentlemen:

As Chairman of the Sewage Disposal Committee, I desire to make a somewhat detailed report of this department for the past year. It was my understanding this department was placed under my supervision on account of the bad condition of the Disposal Plant and to obtain the advantage of my previous experience in various sanitary departments for the past twenty years without expense to the City of E. Grand Rapids.

Upon inspection of the sewage disposal plant after my appointment I found the same to be in a most filthy condition. Tons and tons of raw sludge or night soil, some partial decomposed were deposited on the surface of the ground. In one locality about 50 tons (estimated by the engineer) was deposited in a pit. Approximately 80% of the raw sewage was being bypassed directly into the creek, because the five filtration beds were completely worn out and it was impossible for water to filter through them except very very slowly because they were saturated with slim and decomposed organic matter. The entire aspect was the dirtiest, foulest, stinking place I have ever inspected in my entire experience. The G.R. newspapers were very mild in their criticism of this disposal plant at that time.

It was impossible to remove the accumulated sludge as this would entail too great an expense, but however, teams, scrapers and men were employed and all of this decomposing material causing almost impossible odors to the surrounding community was covered with about two feet of clean white sand. The result being that 90% of the odor from this cause was immediately eliminated. Thereafter sludge was never allowed to be deposited on the surrounding grounds or in pits but was dried on sludge beds and immediately transported by auto trucks especially maintained for this purpose to a nearby sand farm where it was disposed of as fertilizer.

The present tankage capacity is very much inadequate to handle the amount of raw sewage received daily at this plant. This is clearly indicated in the communication received and filed by the Council May 16, 1927, from the State of Michigan Sanitary Engineering Department.

I have personally made verbal reports of the above condition, to this Council from time to time. Mr. Osborn, who was the former chairman of the committee in charge of this department insisted that the Council should employ Pierce, Greely & Hanson of Chicago to make a survey of this plant and submit plans for the reconstruction of the same, for which service the village paid \$450.00. The plans were duly received, accepted by this Council and approved by the State Sanitary Engineering Department. These improvements were estimated by Pierce, Greely & Hanson to cost \$66,000.00. (The work will probably not exceed \$50,000.00 as laid out by the City Engineer and committee at this time). The Council at this time agreed by mutual consent that this work should go along in accordance to these accepted plans, from time to time doing just enough work to keep the State satisfied and avoid injunction and the matter of doing this work was left entirely to the Disposal Plant Committee. They being assured that the entire council was lending its undivided support to place this public necessity in good condition beyond all possible opportunity for criticism. This Council being informed by the State Sanitary Department that our filtration beds must be rebuilt and five additional beds added in order to service the present population. The work proceeded in somewhat of a languid manner until this spring, when it became imperative that the work should be completed before the ensuing summer. The four old beds were entirely rebuilt and one new additional bed was constructed. This work being spread over a period of about 6 months dating from October 1926.

Last December, Mr. J. Dake obtained a bid from Golden & Boter To excavate earth and haul the same to McArthur Park, a distance of 1.9 miles at \$1.50 per yard. P.W.O'Connor Company, on March 27, bid the job at \$1.25 per yard and were awarded the work by the sewage disposal committee. When desention arose the matter was placed before this council and the price discussed and the work ordered continued by vote of this council. Majority vote 3 yeas 2 nays on April 18, 1927, and reconfirmed by two-thirds vote 4 yeas and 1 nay on April 27, 1927. One half day before the completion of the excavating referred to above the Golden Boter Company sent a communication to this council bidding \$.60 per yard for excavating at disposal plant with a two mile haul. On the very face of this bid, it is apparent that there is rivalry between P.W.O'Connor and the Golden Boter Company, and that this bid was only made to humiliate the contractor doing the work and to precipitate unjust suspicions and criticisms upon members of this Council. However, there is considerable more excavating to be done at the disposal plant and the Golden Boter Company can rest assured at \$.60 per yard for excavation and a two mile haul, they will have no competition. They will unquestionably be awarded the work at that figure. I am sure this council including myself have not the slightest interest in their losses, for work obtained by this most acute competitive bidding. Contracts for work however can only be let when bids are received before the work is completed. Golden Boter Company should be more prompt with their bids in the future.

The sewage disposal committee have had nothing to base their decision of price upon, excepting work which has been done at this plant in the past. Conditions to be met with are water and quick sand which without question increase the cost of construction. As chairman of the disposal committee, I am prepared to prove that no yardage of dirt was ever excavated at this plant and disposed of previous to my administration for less than \$2.50 per yard, and some of the excavation will figure \$4.50 per yard. Work at this disposal plant is being accomplished for half and even less than half than ever before in the history of this plant. These facts can be verified by cruising past records by any persons desiring to spend the time to do so.

In regard to the expenditure of \$4,515.50 for the Hall Street effluent, which by this Council was designed ordered constructed and almost completed during my absence last August, 1926, and the construction thereof entirely destroying the Hall Street grade and street for a distance of approximately 1200 feet. I wish to report that this construction was done without my approval. The plans were never submitted to me and the whole project was done entirely over my head. At that time, it was clearly understood that it was my best judgment and that of another member of the sewage disposal committee that the lowering of the creek bottom from the digestion tanks to Hall Street intersection would form a perfect effluent and would entail an expenditure of not to exceed \$1,000.00. Thereby saving at least \$3,515.50 of the amount expended at the disposal plant during the past fiscal year.

Tankage capacity must be increased immediately. The newly excavated filtration beds must be completed as soon as possible. New sludge beds must be constructed. Water mains should be provided. Lands lying east of plant must be obtained for necessary future enlargement of the disposal plant. The old house must be disposed of and the premises about this disposal plant must be kept in as clean and as sanitary condition as possible.

Respectfully Submitted by

(Signed) Dr. O.E.Frye.
Chairman Sewage Disposal Comm.

I, Julius Dake, do hereby swear that in December, 1926, I obtained a bid via telephone from the Golden & Boter Company of Grand Rapids, Michigan to excavate at the disposal plant and that their bid was a \$1.50 per yard for excavating with a two mile haul.

(Signed) Julius Dake

Motion made by Trustee Frye, supported by Trustee Tinkler, that the Disposal Plant Committee be allowed another week time on the P.W.O'Connor Company bill for excavation work done at the sewage disposal plant in order that said committee can obtain a report from the Attorney on the matter as to whether or not a committee has power to award contracts.

COMMUNICATION OF RAVENWOOD DEVELOPMENT COMPANY.

To the Honorable the Council of
East Grand Rapids, Mich.

Gentlemen:

The Ravenswood Development Company request the consent of your honorable body to the construction of a temporary sidewalk on the north side of Lake Drive from Woodcliff Drive to the Ravenswood Golf Course a distance of approximately 135 feet for the purpose of furnishing a temporary convenience for persons using the golf course to walk from "Woodcliff Drive to the Golf course.

Such a sidewalk would be partly in the outlawn but would in no case infringe upon the street proper. It would avoid a hill at that point and would remain only until determination is made by your honorable body as to the specifications for the street. It is understood that upon demand by the city a permanent side walk shall be constructed at the cost of the property owner and in such manner and at such place as required. Notice to such effect will be put on the records of the Register of Deeds for Kent County, to warn any subsequent purchaser of this understanding.

The above sidewalk while only temporary will enable us to put that part of the plat in as nearly as possible to a finished condition.

Respectfully submitted

(Signed) Walter S. Palmer,
Treasurer

Motion made by Trustee Osborn, supported by Trustee MacNeil, that this request be granted with the understanding that the temporary walk can be ordered removed and re-constructed at any time by this Council without liability to this City and that it be referred to the Attorney in order that he see to the fact that notice to such effect is placed on record at the Register of Deed's Office.

I am not so certain upon the correctness of the above computations in items eight and nine, being the premises owned by R.J. Brummeler and C.M.Warren. It appears that when the assessment roll was made that the premises described in those items were assessed to R.J.Brummeler alone. Since then he has sold a portion of the premises and I have computed the tax on the basis of the above number of feet, but do not know if repairs have been correctly apportioned.

Also an item of repairs was reported to me to be chargeable against F. Mueller. The assessment roll shows that he was assessed for the construction of a curb and gutter in front of his premises, in which case he is not entitled to any rebate.

Respectfully submitted.,

REPORT TO COUNCIL OF
EAST GRAND RAPIDS

In the Matter of the Claim of the P.W.
O'Connor Company.

To the Council of the
City of East Grand Rapids.

The matter of the claim of the P.W.O'Connor Company for work done at the sewage disposal plant of the City of East Grand Rapids consisting of excavation work for filtering beds and for hauling away surplus dirt, was submitted to me for an opinion upon the legality of the claim.

I have not found any official city records which shows when the work at the disposal plant was commenced, and neither do the official records show that any detailed plan or specifications for the rebuilding of old beds or the building of new beds was ever adopted by the Council, and neither am I able to ascertain from the records that any written contract for this work has ever been executed and signed by said Company or by the City or its duly authorized officers. The only official records that I can find which relate to the matter are as follows:

"Regular Meeting of the Council Held July 7, 1926"

"Motion made by Trustee Osborn that the disposal plant Committee be authorized to construct a new bed at the Disposal Plant. Supported by Trustee Campbell.

"Motion made by Trustee Frye, supported by trustee MacNeil, that the excavation work at the disposal plant continue on the strength of the Engineer's report."

"Yeas: Frye, MacNeil, Tinkler - 3
Nays: Osborn, Schaitana - 2"

"Regular Adjourned meeting of the Council
Held April 27, 1927"

"At this time four bids were received from contractors for the excavating and hauling of dirt at the Disposal Plant, which were as follows:

(1) April 19, 1927.

Village of East Grand Rapids,
East Grand Rapids, Michigan.
c/o Dr. O. B. Frye.

"We propose to excavate beds for disposal plant at a price of \$1.37 One Dollar Thirty-seven per cubic yard for a two mile or under haul of dirt.

(Signed) Loomis & Mauzy
C.M.Loomis".

(2) April 22, 1927.

Dr. O B. Frye,
Chairman Disposal Plant Committee,
2318 Lake Drive., S.E.,

" Dear Sir:

Referring to your inquiry of our prices for excavating and hauling sand from the Disposal Plant within the two mile radius.

After going over the grounds to that purpose carefully, we would have to have at the very least \$1.25 per yard.

Under ordinary conditions our rate, off hand, would be 75 or 80 cents for the first mile and 20 cents additional for every mile thereafter.

Hoping we can serve you in the near future.

Yours truly,

Yours very truly,
DE GOOD TRANSFER COMPANY
(Signed) Jas. DeGood"

(4)

April 25th, 1927.

"City of East Grand Rapids,

Gentlemen:

We agree to finish work of excavation at Disposal Plant and haul same two miles or less, for One Dollar and twenty-five cents per cubic yard.

Have had quite a bit of expense on account of water and quick sand, but will finish job for above price, if work can be started at once.

(Signed) P.W.O'Connor Co."

Yeas: Campbell, Frye, MacNeil, Tinkler - 4

Nays: 0

The question to be determined is whether or not a legal contract exists between said Company and the City, and if so, what that contract is, and this is to be determined from the above quoted Council proceedings as there is no formal written contract between the parties. The motion voted upon at the meeting of April 18th "that the

excavation work at the disposal plant continue on the strength of the Engineer's report"

received three votes in favor of the motion, while two votes were opposed to it, and the question is whether or not this motion received a sufficient number of votes to authorize the disposal plant committee to have the work at the plant continued.

The City is governed at the present time by Act No. 3 of the Public Acts of 1895, as amended, relating to the incorporation and general powers of Villages, and section one of Article 5 (2619) provides as follows:

"The legislative authority of Villages shall be vested in a council consisting of the resident and Trustees".

and section 1 of Article 4 (2597) provides that

"The President shall be the chief executive officer of the Village. He shall preside at the meetings of the Council. He shall be deemed a member of the Council, but he shall have no right to vote upon any question except in case of a tie, in which case he shall give the deciding vote".

and section 5 of Article 5 (2623) reads as follows:

"The Council shall prescribe the rules of its own proceedings.... A majority of the trustees shall be a quorum for the transaction of business. A less number may adjourn, etc. But no office shall be created or abolished, nor any tax or assessment be imposed; street, alley or public grounds be vacated, real estate or any interest therein purchased, leased, sold or disposed of, or any public improvement ordered, unless by a concurring vote of two-thirds of all the trustees elect, which vote shall be taken by yeas and nays and entered upon the journal. No money shall be appropriated except by ordinance or resolution of the council, nor shall any such ordinance be passed nor any such resolution appropriating money be adopted except by a concurring yea and nay vote of two-thirds of all the trustees elect."

In construing the above statute our Supreme Court has held that a two-thirds vote of the trustees elect was necessary to pass a resolution incurring a liability by the City which must be met by taxation.

Tenant v. Crocker, 85 Mich. 523.

Our Supreme Court has further held that where money has been raised for a particular purpose by taxation and placed in the proper fund for such purpose, then the application or expending of such money for the purpose for which it was appropriated only requires the majority vote of the council, and in case of a tie, the president is entitled to vote upon the question of such expenditure.

It is my information that sometime in June, 1926, the sum of \$5,000 for construction work at the disposal plant was placed in the annual budget of the city for the fiscal year ending April 1, 1927, and was raised by taxation and spread upon the general tax roll for the year 1926. The only work authorized to be done at the disposal plant prior to April 18th, 1927, was the building of one new filter bed as shown by the official records, being the motion adopted July 7th, 1926, and reading as follows:

"that the disposal plant committee be authorized to construct a new bed at the disposal plant."

I am also informed that on March 26th, 1927, the cost of the work done at the disposal plant greatly exceeded the sum of \$5,000.00 appropriated therefor in the 1926 budget and that on the 18th day of April, 1927, there were no funds available for further construction work at the disposal plant, so that the motion of April 18th to continue the work at the plant and which only received three votes in favor of it, created a liability upon the City which would have to be met by taxation, and this required a two-thirds vote of all the trustees elect, and this motion not having received the required number of favorable votes, the motion was lost and no authority was thereby conferred upon the disposal plant committee to incur any further obligations binding upon the City.

However, at the special election held March 26th, 1927, the voters of the city authorized the loan of \$75,000 for enlarging the disposal plant and for acquiring additional land therefor and to issue the bonds of the city therefor. Before funds can be said to be available and appropriated for a certain purpose so that such funds can be expended by a majority vote of the Council instead of a two-thirds vote of the trustees elect, such money must be actually on hand. Money raised on the annual general tax roll cannot be said to be raised until the tax roll has been confirmed by the council and taxes ordered to be raised and the roll placed in the hands of the treasurer for collection. So the same is true of any money raised upon a bond issue; the bonds not being completed until their issue is authorized by the Council and the bonds sold, and the bonds in question were not sold until the latter part of May, 1927.

It should also be noted that the above statute provides that no public improvement shall be ordered, unless by a concurring vote of two-thirds of all the trustees elect, and the foregoing work is a public improvement.

The Council proceedings show that at the meeting of April 27th, 1927, several bids were presented to the Council to do excavation work and haul away dirt at the disposal plant. The Council proceedings do not show that bids or proposals for doing this work were advertised for, or that any member of the Council or other city official was directed to procure such bids, and neither did the bids state that the bidders would do this work according to any plans or specifications which was probably due to the fact that there are no such detailed plans or specifications, at least my attention has not been called to any. The bids in question were based upon a price per cubic yard of dirt to be moved.

After some consideration the council accepted the bid of the P.W.O'Connor Company and the following motion was adopted, viz:

"Motion made by Trustee Frye, supported by Trustee Tinkler, that the P.W.O'Connor Company be awarded the contract for completing the excavation work at the Disposal Plant, according to State plans and supervision."

This motion was passed by a vote of four trustees, two trustees being absent from the meeting.

It is true that our Supreme Court has held, and it is the law, that any action taken by an municipal board in an illegal manner and without proper authorization, can thereafter become the valid action of the board or council, by the Council in appropriate action afterwards ratifying and accepting such illegal action by a favorable vote of the necessary number of trustees elect.

No written contract was ever made in following up the foregoing motion to my knowledge, and neither was the statutory bond filed or furnished as required by law. Under the law such a bond is required to be taken by all public officers and boards for the protection of material, men and labor claims, and our Court has frequently held that where any board has failed to require the bond to be furnished the members of the board became individually liable for all material and labor claims left unpaid by the Contractor.

If it can be said that there are any contractual relations between the P.W.O'Connor Company and the city of East Grand Rapids, it must be based upon the action of the Council taken at the Meeting of April 28th. An examination of the motion shows that the motion reads that the

"P.W.O'Connor Company be awarded the contract for completing the excavation work at the disposal plant".

Nothing in the motion indicates that this action of the council relates, or was intended to relate, to any previous work that might have been done at the disposal plant, and the motion does not ratify any action ordering such work by any member or committee of the council; it is for "completing the excavation work at the disposal plant", and, if this motion constitutes a binding contract upon the city, it cannot be binding for any work done except such as has been done since the Council meeting of April 28th, and it is my opinion that there was no valid contract binding upon the city for any work done at the disposal plant prior to said April 28th, and that if the Company has any valid claim against the City for excavating and hauling dirt at \$1.25 per cubic yard, the Company can only claim such sum for work done after April 28th, 1927.

The Council proceedings of the meeting held May 2, 1927, shows that the following proposal was presented to the Council, viz:

"April 30, 1927"

"Council of East Grand Rapids,
750 Lakeside Drive,
East Grand Rapids.

Gentlemen:

We desire to place before you a proposal to dig, haul and place dirt, including all cost of loading, unloading and furnishing dump men, from your present disposal site to your fill on Lakeside Drive at a price of 60¢ per cubic yard.

Should this proposal meet with your approval, we could commence the work at any time and complete same to your entire satisfaction.

We are very familiar with this kind of work and have looked it over thoroughly as well as measured the distance of the haul.

Respectfully submitted,
Golden & Boter Transfer Co.
By John Boter".

Like the other proposals presented at the meeting of April 28th, the Council proceedings do not show that a proposal from the Golden & Boter Company for the doing of the excavating work at the disposal plant was ever requested by the Council. The action of the council on this proposal was as follows:

"Motion made by Trustee Frye, supported by Trustee Tinkler, that the proposal submitted by the Golden & Boter Transfer Company be received and filed and referred to the Disposal Plant Committee.

Yeas: Campbell, Frye, MacNeil, Osborn, Schuitema, Tinkler - 6
Nays: 0"

It is a rule of law that to make a binding contract the minds of the parties must meet, and in case of any misrepresentations, the minds of the parties have not met unless the parties to the contract had knowledge of the misrepresentations and were not influenced thereby. It appears that the bid accepted by the Council was for \$1.25 a cubic yard, while the bid of the Golden & Boter Company was 60¢ a cubic yard for the same work. If any member of the council who voted to award the contract to the O'Connor Company was deceived and misled in any manner as to what was a fair and

reasonable price to be paid for the work, and voted in favor of said motion while so misled and without any further knowledge of the subject, then the minds of the parties did not meet and there was no binding contract, unless, thereafter and with full knowledge of the facts, the required number of trustees should ratify the action of the Council.

It is also true that a city will not be allowed to accept any work done for the city without making some compensation therefor, and as it is my opinion that there was no binding contract between the parties as to the price to be paid per cubic yard for dirt excavated and hauled prior to said April 28th, nevertheless the City cannot retain the benefits of the work done and should make some compensation, and such compensation should be paid upon a quantum meruit basis, or in other words, so much per cubic yard as the same is reasonably worth.

In conclusion I beg to submit to you that before any further moneys is paid to the Company in regard to the foregoing work that the Company be required to furnish satisfactory evidence to the city that all material and labor claims have been paid, or their payment satisfactorily secured.

REPORT OF B.F. HENYON, PRESIDENT.

UNOFFICIAL Reference

6/14/27

East Grand Rapids, Mich.
June 14, 1927.

To the Council of the City
of East Grand Rapids, Michigan.

Gentlemen:

By a resolution unanimously adopted by you at a regular meeting of the council held June 6, 1927, you directed me, as President of the City of East Grand Rapids, to cause an investigation to be made of certain rumors which have been circulating in the city and which reflect upon the integrity and honesty of the members of the council and to make a report of my findings and recommendations to your body, and in compliance with your directions I beg to submit the following to you with my recommendations thereon:

There is a rumor circulating in the city, how extensively I do not know, that certain money was used to procure asphalt paving contracts in this city, and in regard to this rumor I beg to say, that early in the month of April, 1927, I received information to the effect that a sum of money had been paid over to influence the action of some of the members of this Council to use paving asphalt sold by a certain Asphalt Company upon the streets of this city, and to procure street asphalt paving contracts for a certain contracting firm. This information was of such a positive nature that I believed it to be my duty, as President of this city, to investigate it personally. After several days of investigation I learned sufficient to cause me to believe that there was some foundation for the truth of this information, and I also found that it would be impossible for me alone to ascertain and obtain the true facts, and believing that my information warranted it, and that it was my duty to have the true facts ascertained, if possible, and also to have other matters and city officials investigated, including myself, I, as President of the City, employed private investigators to conduct an independent and thorough investigation. Since then such investigators and others have obtained evidence from reliable sources which tends to prove that \$1.50

per ton was offered on behalf of a certain Asphalt Company to be paid to a resident of this City for all asphalt material purchased from such company for street paving in this city, and that ten cents a square yard for all asphalt paving contracts awarded to a certain contracting firm by the council was to be paid to and split between such resident and one, or possibly two, members of this council, and that the sum of money, which I am reliably informed was about \$4,000, was actually paid over by this contracting firm in furtherance of this scheme. I also have the names of the persons involved in this transaction but do not deem it advisable to disclose them at this time unless you should desire and request it.

I also find that other rumors have been circulated in the city involving the action of the members of this council and which tend to infer that some acts of irregularities and improprieties were committed by some members of the Council, all of which in fairness to the members of this council and to the people of this city, should be thoroughly investigated, and their truth or falsity be established.

The resolution adopted by you also provided that all persons having made remarks reflecting upon the council should be subpoenaed and forced to come before this council, and prove or retract their statements. I am unable to find any legal authority which gives the council the power to carry on a judicial investigation, and to issue subpoenas and compel witnesses to appear and testify before this council, or compel any person to come before the council and prove or retract any statement reflecting upon the council that they might have made and after due consideration it also appears to me to be highly improper for this council to act as an investigation body upon its own acts or the acts of its individual members.

In conclusion I beg to report to you that the situation as I find it demands an impartial investigation of the foregoing matters by the proper Court or other judicial body, and that thereby the truth or falsity of these matters can be forever judicially determined and settled and the situation thereby clarified and in pursuance

of my findings I herewith submit the following recommendations to you, and ask that they receive your favorable action:

First: That the acts of your President in causing these matters to be investigated prior to the adoption of the aforesaid resolution and since, and all liability incurred thereby, be ratified and assumed by the city of East Grand Rapids.

Second: That a proper judicial investigation of the members of the Council and other officers of the city be authorized and directed, and that no exception be made and that such investigation include the President as well.

Third: That the President of this city be directed and authorized to deliver all evidence secured by him through and on account of the aforesaid investigation to the Prosecuting Attorney of Kent County, and that the proper complaint or petition be prepared and filed with the judges of the Circuit Court of the County of Kent asking for an investigation of the foregoing matters by such court, and that if in the opinion of the Prosecuting Attorney and the President it should be advisable to employ an attorney as Assistant Prosecutor in this matter, that you r President be authorized so to do.

Respectfully submitted,

(Signed) B.P. Kenyon

President.

Motion made by Trustee Frye, supported by Trustee Schmitzma, that the report of the President relating to an investigation of certain rumors reflecting upon the Council be accepted and spread on the minutes of the Council Proceedings, and that his recommendations be approved and concurred in, and that all expenses incurred by the President in making the investigation by him so reported be assumed and paid by the City, and that he be authorized and directed to take the proper proceedings to have the matter contained in his report presented to the Circuit Court of Kent County for investigation as provided by law and that an assistant Prosecutor be employed if he may deem it advisable and if it is agreeable to the Kent County Prosecuting Attorney.

Mr. Byrant, Attorney for the P.W.O'Connor Company, stated that it was his belief that the best way to settle the claims of the P.W.O'Connor Company against the City of East Grand Rapids for the excavation and hauling of dirt from the Sewage Disposal Plant was for the full Council to meet with him at the Members of the firm of the P.W.O'Connor Company.

President Kenyon at this time remarked that a date for such a conference would be set at the next regular meeting, to be held Monday June 20th, 1927.

RESIGNATION OF GRACE E. AMES, TREASURER.

June 20, 1927

To the Honorable President & Council of the City of East Grand Rapids, Michigan.

Gentlemen:

I herewith tender my resignation as Treasurer of the City of East Grand Rapids to take effect July 1st for the following reasons: first, that I have recently undergone a throat operation and do not feel equal to the strenuous work of collecting the summer taxes; second, in that I am not going to collect all of the summer taxes, I do not wish to collect any part of them for fear of confusion in the work.

Therefore, if the Honorable Board wishes to appoint a Treasurer July 1st, to collect all taxes of the City, in return for all courtesies shown me during my two and a third years of work as Treasurer by the above named Board, I will guarantee (with sufficient capable help employed by the City) to get all Tax statements out for the newly appointed Treasurer and will give my very best services in every way possible to assist the Treasurer, except in the collecting of money.

Would also like to know if I am to receive the two weeks vacation allowance the same as the other employees of the City, in that I have worked thru the entire year.

Very respectfully tendered,

(Signed) Grace E. Ames.

Treasurer of East Grand Rapids.

Motion made by Trustee Frye, supported by Trustee Tinkler, that this matter be referred to the Ways and Means Committee and President with power to act, in order that they may take this matter up with the Treasurer in order to determine as to whether or not she will continue to act until her successor is elected and qualified, and in case she is unable to continue to act as Treasurer on account of her health and other good cause, that the Committee and President be authorized to make such temporary appointment that they may deem advisable.

Communication of Mr. W.A. Jack. Re: Bonnell Avenue Paving.

June 20, 1927

Hon. City Council,
East Grand Rapids, Mich.

Gentlemen:

I have been of the understanding that the contract with

Mr. Peter Passink for the paving of Bonnell Avenue called for a width of thirty-two feet. I find that the work as installed measures but thirty-one and one-half feet from the extreme outside of the curb.

The matter has been brought to your attention in order that proper charge back should be made against this contract for the full discrepancy, as I am sure it is not your intention to pay for something not delivered and the tax payers have the right to expect that they will be charged only for the width actually provided. Mr. Passink should also be requested to complete this job, especially the matter of grading on either side of the roadway in order that we can get our property back into its proper and livable condition.

Respectfully submitted,

(Signed) W.A.Jack.

June 14, 1927.

City of East Grand Rapids,
Attention of City Council.

Gentlemen:

We are contemplating buying the lot on Sherman Street, just west of the corner of Rosewood on the south side of the street. There is a four family flat on the west and we would like to put up a two family house on this lot. We expect to put up a high class attractive brick home that would look like a single dwelling and believe it would be a improvement to that block.

Kindly advise us as soon as possible if there would be any objection to such a building.

Thanking you, I am,

COMMUNICATION OF W.L. CRANNER. Re: Damages.

Grand Rapids, Mich.
June 18, 1927.

East Grand Rapids, City Council:

East Grand Rapids, Michigan.

Gentlemen:

Last Monday evening, June 13th, at about 11:00 P.M., while proceeding westward on the drive around Ramona Park, I came to a ditch cut across the pavement, partly filled with soft dirt, a red lantern on each curb, but the street was absolutely open to traffic.

Being a careful driver, I came to a complete stop before attempting to cross. I let the front wheels drop in and stopped again, but when the rear wheels crossed it broke a rear spring (a Buick Master Six) completely off. Officer No. 5 of the East Grand Rapids Police Department was standing opposite this bad place and was an eye witness to the occurrence.

Now, this was in no way any fault of mine, as I believe the Officer and other witnesses will testify and I feel I should receive compensation from the City covering the cost of a new spring.

This was installed by the Hulett Motor Co., of 286 Bridge St., N.W., and the cost was Twelve Dollars and 40/100 (\$12.40)

Hoping you will act in my favor, I am

Yours very truly,

(Signed) W.L. Cranner,
754 Coit Ave., N.E.
Grand Rapids, Mich.

RESOLUTION OFFERED BY TRUSTEE CAMPBELL:

WHEREAS, the Council of the City of East Grand Rapids, Michigan, has heretofore caused to be made a map, plan and diagram and an estimate of the cost of grading and graveling Pioneer Club Road, from Reeds Lake Boulevard to Manhattan Road, a public street in the City of East Grand Rapids, Michigan, and said expense having been estimated at the sum of _____; and

WHEREAS, the said Council has heretofore established a special assessment district of the lands and premises, lots, parts of lots and parcels of land abutting upon and adjacent to either side of said street, from which assessment district shall be collected a sum sufficient to pay the entire estimated cost, said district to be known as the "Pioneer Club Road Grading and Graveling Fund No. 1", and has determined that the amounts so assessed against each lot or parcel of land in said district to be divided into five parts, one to be collected in the current year and one part to be collected annually thereafter until the whole shall be collected, with interest upon all deferred payments from the date of confirmation of special rolls therefore, and has determined to raise the amount necessary to pay the estimated cost over and above the installments payable in the current year by loan on the faith and credit of said Village, to be paid out of said unpaid special assessment when collected, and said special assessment rolls having been returned, to this Council, and, after due notice, appeals therefrom and objections thereto having been heard and considered and corrections made, and said rolls as corrected having, on the day of _____, 1927, been duly ratified and confirmed, and said special assessments been ordered levied and collected, now, therefore

BE IT RESOLVED; by the Council of the City of East Grand Rapids, Michigan, that, for the purpose of grading and graveling of Pioneer Club Road, the entire cost and expense of which is to be paid by special assessment on the lands and premises in said "Pioneer Club Road Grading and Graveling Fund No. 1", which said assessments are to be divided into five parts, one part of which is to be collected during the current year and one part of which is to be collected annually thereafter until the full amount is collected, and for the purpose of borrowing sufficient money to pay for said improvement, over and above the amount to be collected during the current year, there shall be issued negotiable coupon bonds of the City of East Grand Rapids, in the total amount of _____ to be paid out of the special assessment levied against the lands and premises in said "Pioneer Club Road Grading and Graveling Fund No. 1", when the same are collected, one fourth of said bonds to be made payable and mature in the year 1928, and one fourth to be made payable and mature in the years 1929, 1930 and 1931 respectively; and be it further

RESOLVED, that when said bonds shall bear interest at the rate of five per cent per annum, payable semi-annually, from the date of said bonds and that said bonds shall be as near as may be in denominations of \$500.00 each, and there shall be specified upon the face of each of said bonds the particular public improvement for which the same is issued, namely for the grading and graveling of Pioneer Club Road, and each bond shall contain upon its face a statement that it is payable from said special assessment district, said bonds and coupons shall be substantially in the following form:

Handwritten signature or initials in red ink.

PETITION OF H. VAN BLOIS

July 5th, 1927.

The Honorable City Council,
Grand Rapids, Michigan.

Gentlemen;

I, a resident of East Grand Rapids, 28 years, and having my first and slight misunderstanding with the law in regards to turning the corner of Wealthy Street and Lakeside Drive, I was dismissed from the East Grand Rapids Fire Department.

This being such a small cause, I ask to be reinstated in the Department to take effect at once.

Very truly yours,

(Signed) Harold Van Blois.

Motion made by Trustee MacNeil, supported by Trustee Tinkler, that this petition be referred to the Fire Marshall.

COMMUNICATION OF WORM & VERCOE

June 27th, 1927.

Honorable Village Council,
Village of East Grand Rapids.

Gentlemen:

Again we want to call ^{to} your attention, the condition of Woodcliffe Avenue to Hall Street from Wren Ave.

The writer was over this road today in the process of showing a piece of real estate and counted five ditches extending across the road from 12 to 18 inches in depth. Extreme caution was fortunately exercised by the driver of the car or no doubt the springs would have been broken. Also, the lot owners along this street have complained to us and as tax payers are anxious that this road is repaired and made passable as several are preparing to build.

We understand your road department is very busy and hope you won't look on this as an unjust complaint but in face of the facts and the criticism we are receiving on account of this road, we would appreciate some action in regard to its betterment.

Thanking you in advance for any favorable action taken, we are,

Cordially yours,

(Signed) Lincoln Vercoe.

RESOLUTION TO CLOSE PART OF PIONEER CLUB ROAD.

Resolution offered by Trustee Campbell:

WHEREAS the location and course of that part of Pioneer Club Road, so-called, a public street in the city of East Grand Rapids, Michigan, being easterly of the northwesterly line of Reeds Park Addition to the Village of East Grand Rapids, was heretofore changed in proper proceedings by the Council of the said city of East Grand Rapids, and lands and right of way is now being procured by this Council for a new location and course for the aforesaid part of said Pioneer Club Road, and whereas this Council deems it advisable to vacate that part of said Pioneer Club Road lying easterly of said Reeds Park Addition, therefore be it

RESOLVED, by this Council, that it seems it advisable, and that it is advisable to vacate, discontinue and abolish that part of Pioneer Club Road lying easterly of the northwesterly line of Reeds Park Addition to the Village of East Grand Rapids, and that this Council deems the closing and vacating of that part of said street to be necessary for the public convenience and a public improvement; and be it

FURTHER RESOLVED that this Council meet on Monday, the 13th day of August, 1927, at eight o'clock P.M. in the Council Room in said city, to hear and consider any and all objections thereto why said street should not be vacated, discontinued and abolished; and it is

ORDERED that the City Clerk give written or printed notice of the time and place when and where the Council will meet to hear and consider objections to the vacating of said part of said Pioneer Club Road, by any person interested therein and desiring to be heard, by posting notices in three public places in said city at least four weeks previous to said meeting; one of which said notices shall be posted at the intersection of said Pioneer Club Road and Manhattan Road, or as near thereto as may be, and it is further ordered that a true copy of this resolution be included in said notice.

Trustee Campbell moved the adoption of this resolution, supported by Trustee MacNeil.

The Board of Canvassers at this time presented to the Council their report and certificate of the Non-Partisan Primary Election, held in the City of East Grand Rapids on Monday, July 18, 1927. Mr. Thomas Ward, counsel for Herald F. Swain, and Willard McIntyre, counsel for Dr. O. B. Frye, asked the Council of the City of East Grand Rapids that said Council declare said Herald F. Swain and Dr. O. B. Frye elected as Commissioners from the Second Ward, inasmuch as it was their belief that said Herald F. Swain and Dr. O. B. Frye had each received a majority of the votes cast in Second Ward for that office.

Mr. Gansser, the City Attorney, stated that this Council could not declare any person elected to any office due to the fact that this was one of the duties of the Board of Canvassers.

Motion made by Trustee Tinkler, supported by Trustee MacNeil that Emil B. Gansser, the Attorney for the City of East Grand Rapids, be and he is hereby directed to represent the Board of Canvassers of this City in any mandamus proceedings instituted against said Board, and it being understood upon the statement made by Thomas Ward, counsel for Herald F. Swain, that said proceedings shall be without court costs to either party.

PETITION OF THE MEYERING LAND COMPANY

July 26, 1927.

To the Honorable President and Council
of the Village of East Grand Rapids,
Michigan.

Gentlemen:

Inasmuch as it is our understanding that the grade
of Hall Street from East Paris Road to Lake Drive has been
established, it is our desire to proceed immediately with
the cutting through of this street in connection with our
Lake Drive Estates subdivision at least to a 40 ft. width,
and we hereby petition your honorable body for permission of
same.

Thanking you for your consideration regarding this
matter and awaiting your authorization, we are
Respectfully,

THE MEYERING LAND COMPANY
J. H. MEYERING

CRF:M

President.

Motion made by Trustee Campbell, supported by Trustee
Osborn that the request of the Meyering Land Company to grade
the full width of Hall Street from East Paris Road to the
west line of the Ravenswood Addition be granted, and that
said work be done at the expense of said Company and according
to the grade heretofore established by this Council and under
the supervision of the Engineer of this City and that the sur-
plus dirt be disposed of at the direction of the City Council
and City Engineer.

PETITION OF THE RAVENSWOOD DEVELOPMENT COMPANY

July 19, 1927

Hon. Bertrund Kenyon,
Mayor of East Grand Rapids,
East Grand Rapids, Mich.

Dear Mr. Kenyon:

It has been suggested to the directors of the Ravenswood
Development Co. that an effort be made to put eighteen foot con-
crete roadways in Unit #2 (or the south half) of Ravenswood Plat.
The idea being that concrete roadways take the place of the gravel
surface guaranteed by the Ravenswood Development Co.

The directors of the Ravenswood Development Co. recognize the
merit of such a plan and are heartily in accord with the suggestion.
The Ravenswood Co. has guaranteed gravel surfaced roads to its lot
purchasers and at the present time is making every effort to get the
grading done and the gravel surface in before bad weather in the fall
so that the roads may be used during the winter.

If the council of East Grand Rapids approve of the installation
of concrete roads on this unit, the Ravenswood Development Co. will
gladly pay towards such a program the amount which they would have
paid for the gravel surfaced roads, the balance to be assessed against
the abutting property, the greatest part of which is still unsold and
in the hands of the Ravenswood Development Co.

We are informed that purchasers of lots in this unit are in favor
of such a program and we would therefore suggest that the first resolu-
tion be made by the council to provide for the drawing of plans and mak-
ing estimates of the cost. This will give an opportunity for all per-

7/26/27

sons interested to be heard.

This is premised on the idea that it will be feasible to get the work done early in the fall.

Respectfully yours,
RAVENSWOOD DEVELOPMENT COMPANY
By Walter S. Palmer
Secretary

WSP:RBW

Mr. Walter S. Palmer at this time stated to the Council that he would like to have this petition also cover Unit No. 1 (or the North One-half) of the Ravenswood Plat.

As this was the time and place set for the hearing on the matter of granting Mrs. A. Hindelong a building permit to build a home on the north portion of lots No. 71-72 of Eichelsdorfer's addition, this matter was taken up.

Mrs. A. Hindelong stated that when a house is built on the south portion lots No. 71-72 of the Eichelsdorfer's addition, that such house will be of the long type, similiar to the one owned by Mr. Mueller which is situated just across the street on Lake Drive, and also they said house when built will be set back 35 feet from the north line of Lake Drive, and also set back to conform with the other buildings on Locust Avenue.

Motion made by Comm. Schuitema, supported by Comm. Wagner, that Mrs. A. Hindelong be granted a building permit to build a home on the north portion of lots No. 71-72 of the Eichelsdorfer's Addition, according to plans and specifications submitted to this commission.

BY COMMISSIONER WAGNER :

WHEREAS, the Board of Assessors have prepared an assessment roll of all the lots and parcels of land constituting the special assessment district to defray the cost of constructing a concrete pavement, including curbs, gutters, manholes, catch basins, sewer laterals and water services in and upon

Woodcliff Avenue from the south city limits

to the south line of Hall Street with the names of the owners or occupants of each lot or parcel of land, and have assessed said cost in ten equal installments annually as heretofore directed by this Commission and have reported said roll to this Commission and

WHEREAS, said Board has assessed to each lot or parcel of land within said district such relative portion of the whole amount to be levied as the number of feet frontage of each of said lots or parcels of land abutting upon said improvement bears to the whole frontage of all lots to be assessed, except in cases where on account of the shape or size of any lot an assessment for a different number of feet has been deemed more equitable by said Board; therefore be it

RESOLVED, that the assessment rolls returned by the Board of Assessors be filed in the office of the City Clerk and marked "Woodcliff Avenue Avenue Paving District No. One Special Assessment Roll", and that the same be numbered by said Clerk and that this Commission and the Board of Assessors meet in the Commission Room on September 14, 1927, at eight o'clock P. M., to review the assessment, and to hear any objections thereto and any appeals therefrom; and it is

ORDERED, that the City Clerk give notice of the filing of said roll in his office and of the time and place when and where the Commission and the Board of Assessors will meet to review the assessment and to hear any objections thereto and appeals therefrom, and that any person objecting thereto may file written objections with the Clerk before said meeting, by publication in Grand Rapids Herald, a newspaper circulated in this City, at least five days previous to said meeting.

ATTORNEY GANSSER'S REPORT RE GRAND RAPIDS TRUST COMPANY PETITION:

September 12, 1927.

To the Mayor and Commission,
of East Grand Rapids, Mich.

Gentlemen:

I herewith submit a report on the communication from the

Grand Rapids Trust Company covering certain assessments on its stock owned in East Grand Rapids.

The W. C. Schouten assessment of \$2.55 for ten shares of Grand Rapids Trust Company stock is an error, and should be for Michigan Trust Company stock. The stock assessed to Christian Gallmeyer of \$10.20 was erroneously assessed for the reason that Mrs. Gallmeyer moved from East Grand Rapids in August, 1926, and the stock was not assessable in East Grand Rapids. The assessment against Harold W. Bryant of \$2.55 for ten shares of stock was assessed in the city of Grand Rapids and the tax was paid to Grand Rapids. Mr. Bryant moved to East Grand Rapids some time in June, 1927. The city assessment roll was made up in April.

The assessment against J. M. Beach of \$6.38 for twenty five shares of Grand Rapids Trust Company stock is also an error. Mr. Beach owned ten shares of this stock prior to January first, and later acquired fifteen shares additional, but not until after this fifteen shares was assessed to the previous owner in Grand Rapids and the tax paid.

These mix-ups in bank and trust company stock as between Grand Rapids and East Grand Rapids occur very frequently, and the cause is that the city rolls are made up and completed before the first of May, while East Grand Rapids rolls are not made and completed until the middle of June, and generally the stock owners in which the mix-ups occur change their residence in the interim. The Grand Rapids Trust Company prepare a statement of stockholders and report them to the City Clerk on or before April first, and the Company pays the tax on July first on account of also paying a dividend at that time and the tax is deducted from such dividend. The Trust Company is agreeable to prepare and give a duplicate copy of their stockholders to the East Grand Rapids Assessor at the same time that they give their copy to the city. I have suggested to the Assessor that he make a check-up with the Banks and Trust Companies direct each year in sufficient time to avoid future errors.

I would recommend that the Trust Company pay the tax items assessed against Christian Gallmeyer, Harold W. Bryant and J. M. Beach to the Treasurer in order to keep the assessment roll properly accounted for, and that the three items mentioned then be refunded to the Trust Company by the Commission. The assessment against W. C. Schouten for Grand Rapids Trust Company Stock should be changed on the assessment roll to Michigan Trust Company stock and the statement sent to him accordingly.

Respectfully submitted,

Emil B. Gansser,
ATTORNEY FOR EAST GRAND RAPIDS

Moved by Commissioner Brooks, supported by Commissioner Wagner, that the Attorney's report be received and filed and that his recommendations be concurred in by this Commission; and that the Treasurer and Assessor be instructed to carry out such recommendations; and that said report be spread on the minutes.

ATTORNEY GANSSER'S REPORT RE ALEXANDER MC COLL:

September 13, 1927.

To the Mayor and Commission,
of East Grand Rapids, Mich.

Gentlemen:

I herewith submit a report on the communication of Alexander McColl directed to the Treasurer of this city and in which he asks for a refund on his tax on account of an excessive assessment, which communication was referred to me for investigation and report. In compliance therewith I will say that I have looked at the property of Mr. McColl, the assessed valuation of which is fixed at \$20,000. I have made comparisons with the valuation placed upon other property in the neighborhood, as follows: The Conger property at \$8,000.; the Muir property at \$20,000.; the Prange property at \$28,000.; the Jack and Schravessande property each at \$30,000.; the Eifert property at \$20,000.; and the Vandenberg property at \$25,000.; and the Dows property at \$18,000.

Full sized lots in the neighborhood are assessed for \$4,000. and lots split in half are assessed from \$2,000. to \$2,200.

In an interview with Mr. McColl on September 13th, he stated that he owns part of a lot which cost \$2250. and that the house and lot together cost around \$16,000. The house is a six room house with bath, a double garage to the house and carried up two stories, but the upper portion is not finished. This makes the house look larger and was done to match up with the Muir home. Mr. McColl also said that about a month after he moved into the house in 1926 he received a notice of the tax, which showed the valuation was only \$7,000, which he said was satisfactory to him and that was the reason he did not take the matter up with the Assessor this year. I explained to him that the reason of the \$7,000 valuation was because when the Assessor fixed the valuation of the house it was then uncompleted and that the valuation was placed upon it according to the progress made in its construction.

It is the opinion of the City Assessor and myself that the valuation is high as compared to other valuations and that a valuation of \$16,000 for this year would be proper for the purpose of a refund to Mr. McColl and then a correct valuation be taken upon the assessment roll for the coming year.

Respectfully submitted,

Emil B. Gansser
ATTORNEY FOR EAST GRAND RAPIDS

Moved by Commissioner Schuitema, supported by Commissioner Brooks that the Attorney's report be received and filed and his recommendations be concurred in by this Commission; and that a refund be made on this basis; and that this report be spread on the minutes.

Yeas: Wagner, Brooks, Schuitema, Kenyon - 4.

The Attorney also reported that he had written to the superintendent of the Grand Rapids Clinic and that he had received an answer stating that the valuation of \$120,000 was satisfactory to them, but that they objected to \$150,000 as set by the Board of Review of this City.

Attorney Gansser also reported that he had checked the bill of the Harmon Ness Company; and that he had prepared the proper resolution in regard to the deed of Mr. Remington.

RESOLUTION OFFERED BY COMMISSIONER BROOKS:

This being the time and place set for the receiving of bids for the construction of a concrete pavement in and on Woodcliff Avenue, Edgewood Avenue, Ridgewood Avenue, Linwood Avenue, Woodlawn Avenue, Maplewood Drive, Elmwood Drive, Oakwood Drive and Beechwood Drive; and there being three bids presented these were opened.

ATTORNEY GANSSER'S REPORT

Mr. Gansser reported that he had addressed a communication to the Commission of the City of Grand Rapids in regard to connecting with their sewer system, and that said communication had been referred to the Administrative Committee. #42859.

He also reported that he had communicated with Mr. Rich State Sanitary Engineer and had received a reply from said Mr. Richin which he asked that the Committees of the two Cities meet with him. Mr. Gansser stated that Mr. Oltman of the Administrative Committee of the City of Grand Rapids had said that such a meeting could be held at 9:30 A.M., Friday, September the 23rd, 1927.

RESOLUTION OFFERED BY COMMISSIONER Brooks

WHEREAS, This Commission has deemed the construction of a sanitary sewer in East Paris Road

from Pere Marquette Railroad Company right of way to Burchard Street

public streets in the City of East Grand Rapids, to be a necessary public improvement, and to establish a sewer district and special assessment district to defray the entire cost and expense of said improvement, and

WHEREAS, This Commission has caused a map, plat and diagram of the lands and premises benefited by such proposed improvement, and a map, plan and diagram of the proposed route, location, depth, grade and dimensions of said sewer, including the construction of the necessary branches, man-holes, catch-basins, Y's and laterals, together with an estimate of the cost of said proposed improvement, to be made, which said maps, plat, plan and diagrams, and estimate of the cost has been submitted to this Commission, therefore, be it

RESOLVED, By the Commission of the City of East Grand Rapids, that the cost and expense of said improvement, including the cost of said estimate maps, plat, plan and diagrams, and the assessments incident thereto, be and the same is hereby estimated at the sum of \$ _____; and be it

FURTHER RESOLVED, That this Commission deems all lands and premises, lots, parts of lots and parcels of land abutting upon and adjacent to either side of said East Paris Road, and lying between Pere Marquette Railroad Company right of way and Burchard Street

and extending back at right angles to said several streets to the rear line of the lots and parcels of land abutting thereon, will be benefited by said improvement, and that this Commission intends to establish a sewer and special assessment district comprised of the lots, lands and premises above described and as shown by said map, plat and diagram submitted to this Commission, and that the entire cost of said improvement be defrayed by special assessment upon the lands and premises within said sewer and special assessment district according to the benefits derived by each of said lots or parcels of land from said improvement; and be it further

RESOLVED, That the said maps, plat, plans and diagrams, and said estimate of the cost thereof, be filed with the Clerk of this City, and that this Commission will meet on Monday, October 3rd, 1927, at the Commission Room in said City at

eight P. M. o'clock in the evening of said day or as soon after said hour that a hearing can be had, to hear and consider any objections or suggestions to said proposed improvement or to said maps, plat, plan or diagrams, or to the establishment of said proposed sewer and special assessment district, and that the City Clerk prepare and post proper notices of the filing of said maps, plat, plan and diagram and of said estimate, in his office, and of the determination of the Commission to make said proposed improvement and to assess the cost thereof upon the owners and occupants of the lands and premises within said sewer and special assessment district according to the benefits, and of the time and place when the Commission will meet to hear and consider objections to said improvement and to said maps, plat, plan and diagrams, and estimate, and to the establishment of said sewer and special assessment district; and be it further

RESOLVED, That when this Commission orders said proposed improvement to be made, the amounts to be assessed against each lot or parcel of land in said special assessment district, shall be divided into five equal parts, one part to be collected this year, to-wit, 1927 and one part to be collected annually thereafter until the whole is collected, with interest upon all the deferred payments at the rate of six (6) per cent per annum from the date of the confirmation of the special assessment roll and that the Commission intends to issue bonds for the unpaid amounts to be paid out of said unpaid special assessments.

Moved by Commissioner Brooks, supported by Commissioner Wagner, that this Resolution be adopted.

Yeas: Wagner, Brooks, Schuitema, Grinnell - 4.
Nays: 0.

Moved by Commissioner Brooks, supported by Commissioner Grinnell, that the Clerk be authorized to advertise for bids for sewer and water in Wealthy Street from Sherman Street West.

Mr. Whiting's Report:

Mr. Whiting at this time stated that a water softener which would take care of all water which comes from the city well would cost approximately \$35,000, and will cost \$8 to \$10 per day for maintainance, or 10¢ per 1000 gallons. This softener can be enlarged without undue difficulty merely by adding units.

He also stated that individual softeners would cost \$100 to \$150, but that the city would be able to purchase them in quantities for about \$65. This size softener will take care of a family of four or five people.

He also stated that the cost of extending the present water intake in Reed's Lake 250 feet farther out into the lake would be approximately \$2480.

As this was the time and place set for receiving of bids for the installation of water main in Berwyck Road; and there being five bids presented these were opened and were as follows:

Peter D. Johnson -----	\$480.50
Gillisse and Boogaart -----	563.00
John S. Sikkema -----	660.00
John Van Ess and Sons -----	680.50
Jobse and De Fouw -----	705.50

Motion made by Commissioner Schuitema, supported by Commissioner Grinnell, that the bid of Peter D. Johnson be accepted, that he be awarded the contract to lay a water main in Berwyck Road for the sum of \$480.50; provided that he can furnish Surety Bonds acceptable to this Commission; and that the certified checks of the unsuccessful bidders be returned to them.

ITEM APPEARING IN GRAND RAPIDS PRESS OF SEPTEMBER 23, 1927.

"NEIGHBOR SUBURB EAGER FOR SEWAGE HOOKUP WITH CITY

"East Grand Rapids Officials and Others Plead for Project

"OLTMAN IS RATHER COOL

"But States Report will be made to Commission as Body.

"East Grand Rapids' proposal to connect its sewer system with the sewer and sewage disposal system of Grand Rapids received a somewhat cool reception by the administration committee of the city commission in session with representatives from the newly incorporated city Friday morning.

"After listening to Emil B. Gansser, city attorney for East Grand Rapids; W. F. Shephard of the state department and various representatives of the new city, Commissioner William Oltman, chairman of the administration committee, announced a report would be made to the commission but he understood "the majority of the commission is not interested at this time."

"Mr. Gansser in opening the discussion stated East Grand Rapids would have to pay \$78,000 to enlarge its disposal plant, but before doing so wanted to get the reaction of the Grand Rapids officials as to a tieup of the two systems. The plant, he added, is in the center of a fastgrowing district, although when planned 15 years ago it was in the farthest corner of the community.

"Mr. Gansser, like others from the new city, stressed the fact that the east city line was within a quarter of a mile of the plant and Grand Rapids residents as well as those of East Grand Rapids are affected by what was termed the nuisance.

"Hugh B. Cavanaugh told Commissioners Oltman, George H. Gruenbauer and City Manager Fred H. Locke the politicians of East Grand Rapids were waiting for Grand Rapids to reject the proposal that they could inform the people the larger city "has it in" for its neighbor. He advocated the opening of Hall Street as did Mr. Gansser.

"Edward O. Wagner, member of the East Grand Rapids Commission, declared now is the time for the proposed tieup and asked that every effort be made to bring the proposal about. Charles N. Remington, William H. Gilbert and Henry L. Grinnell echoed the sentiments of Mr. Wagner.

"OPPOSES ENLARGING PLANT.

"Henry J. Winkemulder was emphatically opposed to enlarging the plant, stating it would but add to the nuisance. Elimination of the plant, he averred, would mean the development of additional territory and mean millions of dollars of assessed valuation on the city's books.

"W. F. Shephard of the state health department demanded that the plant either be fixed right or eliminated.

9-30-27.

Extract from Grand Rapids Press September 23, 1927.

"He admitted that from an engineering standpoint the best thing to do would be to joint with Grand Rapids, but stated that it made no difference to him so long as conditions were improved. He was eager to make a report to his superior officers in which he could state just how quickly the situation would be cleared up. In answer to query by Mr. Locke, the inspector stated there were no legal objections to the proposed hookup as far as he was aware.

"Mr. Oltman thanked the visitors for attending the session and stated an investigation would be made and a report read to the city commission".

A petition was submitted and read from John Gross and twelve other property owners asking for the grading and paving of Gladstone Alley from Gladstone Avenue to Rosewood Avenue between Wealthy and Lake Drive.

RESOLUTION OFFERED BY TRUSTEE WAGNER

WHEREAS, It is proposed that there be constructed a concrete pavement, in and upon Gladstone Alley from Gladstone Avenue to Rosewood Avenue,

a public street in the City of East Grand Rapids, Michigan, and to establish a special assessment district to pay the entire cost of said improvement, therefore, be it

RESOLVED, by the Council of the City of East Grand Rapids, Michigan, that it deems the construction of said pavement, Gladstone Alley, in the aforesaid street to be a necessary public improvement, and that this Council has determined and does hereby determine to make such public improvement, viz: to construct a concrete pavement, in and upon Gladstone Alley from Gladstone Avenue to Rosewood Avenue

a public street in said City, and to defray the entire cost and expense of constructing said pavement, curb and gutter upon the lands and premises abutting upon said street and according to benefits derived; and be it

FURTHER RESOLVED, that the districts, lands and premises, upon which said special assessment for constructing said pavement, curb and gutter shall be levied shall include all the lots, parts of lots and parcels of land as now recorded in the Register of Deeds Office for Kent County, Michigan, abutting upon either side of Gladstone Alley, and lying between Gladstone Avenue and Rosewood Avenue; and be it

FURTHER RESOLVED, That the City Engineer be and he is hereby instructed to prepare and furnish to the Commission as soon as possible the plat and diagram of the work and of the location to be improved and an estimate of the cost of such improvement, and also a map, plat and diagram of each and every lot, parts of lots and parcels of land as now platted and recorded in the Register of Deeds Office, fronting and abutting upon said street as above described.

RESOLUTION TO CLOSE FIFTEEN FEET ON THE EAST SIDE OF HENRY AVENUE; AND FIFTEEN FEET ON EACH SIDE OF BURCHARD AVENUE; AND PART OF RAYMOND AVENUE; AND ALL OF FORD STREET; OFFERED BY COMMISSIONER BROOKS.

RESOLVED, by this Commission that it deems it advisable, and that it is advisable to vacate fifteen feet on the east side of Henry Avenue from Hall Street to the Pere Marquette right of way; and to vacate fifteen feet on each side of Burchard Street from Henry Avenue to Raymond Avenue; and to vacate, discontinue and abolish that part of Raymond Avenue from Burchard Street to the Pere Marquette right of way; and to vacate, discontinue and abolish all of Ford Street from Raymond Avenue to Henry Avenue

and that this Commission deems the closing and vacating of said streets to be necessary for the public convenience and the public improvement; and be it,

FURTHER RESOLVED, that this Commission meet on Monday, November 7th, 1927, at eight o'clock P. M., in the Commission Room in said city, to hear and consider any and all objections thereto why said streets should not be vacated, discontinued and abolished; and it is,

ORDERED, that the City Clerk give written or printed notice of the time and place when and where the Commission will meet to hear and consider objections to the vacating of said parts of said Henry Avenue, Burchard Street, Raymond Avenue and Ford Avenue, by any person interested therein and desiring to be heard by posting notices in three public places in said City at least four weeks previous to said meeting; one of which shall be posted at the intersection of said Henry Avenue and Burchard Street, or as near thereto as may be, and it is further ordered that a true copy of this Resolution be included in said notice.

Moved by Commissioner Brooks, supported by Commissioner Schuitema, that the above resolution be adopted.

PROCEEDINGS OF THE COMMISSION OF THE
CITY OF EAST GRAND RAPIDS, MICHIGAN.

Regular Adjourned Meeting
Held November 14, 1927.

The Commission was called to order by Mayor Kenyon.

Present: Comm. Wagner, Grinnell, Brooks, Kenyon - 4.
Absent : Comm. Schuitema - 1.

COMMUNICATIONS AND PETITIONS:

Mrs. Louise Rosander orally petitioned the Commission *for permission* to build a house in Sherman Park Addition which would be longer than permitted by Zoning Ordinance on her size lot, although the house would be in line with rest of houses on that street.

In view of the fact that there were only four members present, while five are required for Board of Appeals, Mrs. Rosander was given tentative approval to build her house.

Mr. Morris *again* appeared before the Commission to protest again against the narrowing of Burchard, Ford, Henry Streets, and the vacating of Raymond Avenue from Burchard Street to the Pere Marquette Railroad Company's right of way. He stated that he approved the streets above named being made sixty six feet in width but objected to them being made any narrower than that. Mr. Hopp agreed to making Floral Drive and Ford Street sixty six feet in width, but insisted that Burchard Street remain fifty feet in width.

Mr. Morris also requested that Henry Avenue be changed to Floral Drive, and Mr. Hopp agreed to deed to the City of East Grand Rapids the necessary *to* make Floral Drive curve into Henry Avenue at Argentina Drive intersection.

Commissioner Wagner, moved, supported by Commissioner Brooks, that this matter be laid on the table for one week.

BY COMMISSIONER BROOKS:

WHEREAS, the City Commission met for the purpose of hearing objections to the construction of a sanitary sewer, including necessary branches, laterals, Y's, manholes, and catch

basins, in Hall Street, from Woodcliff Avenue to Bonnell Avenue; Idema Drive, from Hall Street to Wren Avenue; Ainsworth Drive from Idema Drive to Bonnell Avenue, and Bonnell Avenue from Hall Street to Mary Avenue, public streets in said City, as shown by the map, plan and diagram now on file in the office of the City Clerk, and to the estimate of the cost thereof, and to the designation of a special assessment district to be assessed therefor as shown by the map, plat and diagram now on file in the office of said Clerk, and no person appearing and objecting thereto, therefore be it

RESOLVED, that the aforesaid improvement be made, and that the map, plan and diagram thereof now on file in the office of the City Clerk be approved and adopted, and that all lots, parts of lots and parcels of land abutting upon and adjacent to either side of said Hall Street, and lying between Woodcliff Avenue and Bonnell Avenue; and Idema Drive, and lying between Hall Street and Wren Avenue; Ainsworth Drive and lying between Idema Drive and Bonnell Avenue; and Bonnell Avenue and lying between Hall Street and Mary Avenue; to the rear line of the lots and parcels of land abutting upon said streets, as shown by the map, plan and diagram of said proposed special assessment district shall constitute and be a special assessment district to be known as the Woodcliff Park Sanitary Sewer District Number One; and be it

RESOLVED, that the expense of said improvement, including the cost of the surveys, map, plan and diagram and of the estimate therefor and of the map and diagrams of the lands and premises to be assessed to defray the cost thereof, and of the assessments incident thereto, be and the same hereby is estimated at the sum of Ten Thousand Six Hundred Eighty Nine Dollars (\$10,689.00); that the entire cost of said improvement as herein estimated be assessed upon and against the lands and premises within said special assessment district, according to the benefit derived by each of said lots, parts of lots or parcels of land from said improvement, and that the amount assessed against each lot or parcel of land be paid in five equal annual installments with interest upon the deferred installments at the rate of six per cent per annum; and be it

RESOLVED, that the Board of Assessors of the City be and they are hereby directed to make and prepare a special assessment roll of all the lands and premises within said special assessment district as shown by the said map, plat and diagram thereof, and that they assess and levy upon and against each lot or parcel of land within said district such relative portion of the whole of said estimated sum as shall be proportionate to the estimated benefit resulting to such lot or parcel from said improvement, and that said assessment be divided into five installments, the first installment of which to be collected in the current year, to wit, 1927, and one of said installments to be collected annually thereafter until the whole is collected, and report said roll to this Commission as soon as completed; and it is

ORDERED, that the City Clerk notify said Board of this Resolution and deliver to them a copy of the map, plat and diagram now on file in his office.

Mr. Harold Clayson, representing Fisk Lake Gardens Company, presented a revised plat of Fisk Lake Gardens, requesting the Commissions' approval on this plat.

Mr. H. T. Reynolds, ~~representing himself~~, Oscar E. Varneau and Allen Johnson, owners of property extending west from Lakeside Drive to Fisk Lake Gardens Plat, protested against Fisk Lake Gardens Plat unless Durant or Lansing Street were cut through to meet ~~a~~ street in Fisk Lake Gardens. Mr. Reynolds stated that he was authorized and would be willing to dedicate land necessary to cut Durant Street through to boundary line of Fisk Lake Gardens and his property, and he had no objections to curving Durant Street through his property to meet a connecting street in Fisk Lake Gardens. He also stated that he would open a north and south street from Lansing Street to Durant Street.

Mr. Clayson stated that they would agree to open Durant Street through their property to connect with the street at the north end of their plat, provided that they could curve Durant Street into this street, and their plat so revised was given the informal approval of the Commission

STATE OF MICHIGAN)
 CITY OF EAST GRAND RAPIDS) ss.
 COUNTY OF KENT)

We, the undersigned Board of Canvassers of the City of East Grand Rapids, do hereby certify that the foregoing is a true and correct statement of the whole number of votes given for each of the several candidates for nomination for the several city offices voted upon at the special primary election held in the City of East Grand Rapids, in said County, and in the several wards thereof, on Monday, the eighteenth day of July, A. D., 1927.

We do hereby further certify, in pursuance of the provisions of the Charter of said City, adopted June nineteenth, 1927, and the laws of the State of Michigan, in such case made and provided, that Bertrand P. Kenyon received a majority of all the votes cast at said special primary election for candidates for said office of Mayor of said City, and we do hereby determine and declare that said Bertrand P. Kenyon is elected to the office of Mayor of said City for the term ending May one, 1929.

We do hereby further certify that Wallie G. Campbell, a candidate for nomination for the office of Commissioner from the first ward in said City at said special primary election, filed his written withdrawal as such candidate with this Board, and further, that Edward O. Wagner and Henry L. Grinnell, candidates for nomination for the office of Commissioner from said first ward at said primary election, each filed with this Board a written waiver of their right to have their names placed upon the ballot for said office of Commissioner from said first ward at the special municipal election to be called by the Council of said City, and that each of them did also file with this Board their written consent to waive the holding of such municipal election and to abide by the result of the votes cast for candidates for the said office of Commissioner at said primary and to accept the same as a final election, and in pursuance thereof and in pursuance of the provisions of said Charter and the laws of Michigan in such case made and provided, we do hereby determine and declare that said Edward O. Wagner, received the highest number of votes cast at said primary for the office of Commissioner from said first ward and is thereby elected to said office for the term ending May 1, 1929, and that said Henry L. Grinnell received the next highest number of votes cast at said primary for the said office of Commissioner from said first ward and is thereby elected to said office for the term ending May 1, 1928.

We do further certify that by the result of the votes cast in the second ward of said City at said special primary election and in pursuance of the provisions of said Charter and the laws of Michigan, Harold F. Swain, Oscar B. Frye and Morris W. Osborn were nominated as candidates for election to the office of Commissioner from said second ward, and we hereby certify the names of said nominees to the Board of Election Commissioners of said City of East Grand Rapids to be placed upon the ballot by said Board for election at the special municipal election to be called by the Council of said City as provided in the Charter thereof.

We do further certify that Walter H. Brooks and Milo Schuitema, candidates for nomination to the offices of Commissioner from the third ward of said City at said primary election, have each filed with this Board their written waiver of their rights to have their names placed upon the ballot for said office of Commissioner from said third ward at said special municipal election to be called as aforesaid, and that each of them did also file with this Board their written consent to waive the holding of such municipal election in said ward and to abide by the result of the votes cast at said primary for the office of Commissioner and to accept the same as a final election, and in pursuance thereof and in pursuance of the provisions of said Charter and the laws of Michigan in such case made and provided, we do hereby determine and declare that Walter H. Brooks received the highest number of votes cast at said primary for the office of Commissioner from said third ward and is thereby elected to said office for the term ending May 1, 1929, and that said Milo Schuitema received the next highest number of votes cast at said primary for the said office of Commissioner from said third ward and is thereby elected to said office for the term ending May 1, 1928.

We do further certify, in pursuance of the provisions of said City Charter and said laws of Michigan, that Joseph R. Pierce received a majority of all votes cast for candidates for the office of Treasurer of said City at said primary, and we do hereby determine and declare that said Joseph R. Pierce is elected to the office of Treasurer of said City for the term ending May 1, 1928.

We do further certify, in pursuance of the provisions of said City Charter and said laws of Michigan, that Herman P. Hugenholtz received a majority of all votes cast for candidates for the office of Justice of Peace of said City at said primary and we do hereby determine and declare that said Herman P. Hugenholtz is elected to the office of the Justice of Peace of said City for the term ending May 1, 1931.

IN WITNESS WHEREOF, we have hereunto set our hands and affixed the seal of said City of East Grand Rapids at the said City of East Grand Rapids, this twenty sixth day of July, A. D., 1927.
