# OVERVIEW

*“Disappointment to a noble soul is what cold water means to burning metal; it strengthens, tempers, intensifies, but never destroys it.”*

ELIZABETH TABOR

## Introduction:

Attached for your review is the 2014 Annual Report for the East Grand Rapids Department of Public Safety. It was a significant year for the Department of Public Safety.

The Department of Public Safety is committed to working closely with the community, all levels of government, and key stakeholders to move forward on key law enforcement and fire support and the backing of the community. While the department must clearly lead in public safety issues, community security is a shared responsibility. The efforts and

partnerships of today are the foundations for a safe and peaceful East Grand Rapids tomorrow. Our goal is to make East Grand Rapids the safest and most livable city. We will work with all who are committed to public safety to achieve this

desired end.

We are very pleased and thankful for your support and the backing of the community. We will work hard to maintain your trust and confidence.

## Service Philosophy:

The East Grand Rapids Department of Public Safety embraced the philosophy of Community Policing long before the term became a popular buzzword throughout the country. The Department strongly believes the respect of citizens combined with a collaborative working partnership with the community they protect and serve leads to a safer city and “a better

Director

place to live.” Because of the Department’s location in the “Heart of the City”, and its close proximity to schools and walking distance to the central business district, the department and its citizens are able to co-mingle. This creates and fosters the best feelings of what a small town offers. Many times a week, students, parents and groups come to the Department for visits. The officers and citizens find the department’s “Central Location” which eases the communication process, which is vital for community policing.

The department has always had a close working relationship with schools both in and out of the district. With the addition of the summer bike patrol in 1997, the Department was able to target youth and issues that affect youth such as bike helmet ordinances, tours and positive interaction. Many Department members are actively involved in youth centered activities such as coaching and other various events. Members of the Department regularly attend school assemblies and classroom discussions.

Respectfully,

Mark A. Herald  
Director of Public Safety

Ric Buikema  
Captain

**Commentary:**

For the past five years, East Grand Rapids has averaged 3.2 violent crimes a year. There are no significant trends in this area. In general, violent crime is a rare occurrence in East Grand Rapids.

*\*Note: Beginning with the 2010 Annual Report, all Part I Crimes, except for the current year, will be recorded from the annual FBI Uniform Crime Report.*

**Part I - Property Crime:**

Part I Property Crimes are defined as follows:

<i>Total Property Crime:</i>	<b>120</b>	<b>101</b>	<b>92</b>	<b>136</b>	<b>136</b>	<b>0%</b>

**Commentary:**

During the last year, property crime remained the same. Our goal is to consistently reduce the total number of property crimes. Burglaries and larcenies can be significantly reduced if residents remember to lock their doors and windows at all times, and secure all valuables inside their houses or garages. Larcenies of property from automobiles can be greatly reduced if residents remove all valuables from their vehicles and secure the windows and doors, even if their automobile is parked in their driveway.

**Commentary:**

The basic speed in East Grand Rapids is 25 mph unless otherwise posted. Speed limits and other local and state laws are strictly enforced. Officers use radar to aid in enforcement efforts. The department also uses a portable speed trailer equipped with a visual speed display to alert motorists of their speed.

Uniform law citations are actual numbers of tickets written. Each ticket can have up to three charges.

# ORGANIZATION & STRUCTURE

*“If your actions inspire others to dream more,  
learn more, do more and become more,  
you are a leader.”*

JOHN QUINCY ADAMS

**Department of Public Safety  
Organizational Chart:**

## Police Services Division:

An East Grand Rapids Public Safety Officer performs many different duties during their assigned shift. At any time, an officer may be called upon to perform police actions, suppress fire, or perform as a Medical First Responder. All of these skills are unique and subject to many variables. Continuous training is required in each discipline in order for Officers to maintain quality of service.

Public safety services are provided utilizing a 24-hour work schedule. A 24-hour shift is traditionally used to staff departments in the fire service. East Grand Rapids is unique in that it has adopted a modified 24-hour operations schedule to staff its consolidated police and fire services. This schedule maximizes the Department's available personnel.

The Department uses three separate rotating shifts, each working a 24-hour tour of duty. Every shift is staffed with one Staff

Sergeant, one Sergeant, and five Public Safety Officers. The Sergeants administer and supervise the officer's daily activities. A separate 8-hour midnight shift is employed to ensure 24-hour road patrol coverage.

Capt. Brian Williams

The department, through its patrol operations, is continually emphasizing a "Community First" approach to public safety. The Department's tradition of answering calls for service that many departments will not normally handle is an example of our efforts to better serve the community. Assigned foot patrols

and business property checks add to the safety and security of our city. The use of in-car videos, citizen questionnaires, and performance evaluations ensure all citizens are receiving the highest quality service we can offer.

**Commentary:**

The Detectives receive initial reports taken by uniformed patrol officers that require follow-up or further investigation, or they are assigned cases directly. Their responsibilities include but are not relegated to:

Identifying and locating criminal offenders

- Arresting criminal offenders
- Collecting and preserving physical evidence
- Recovering and returning stolen property
- Testifying in court
- Coordinating cases
- Investigations with other agencies

Mark Lindner  
Detective

## Support Services Division:

The Support Services Bureau is responsible for the Fire Division, Training Division, Office Support Staff and Property Room management. Bureau personnel are comprised of one (1) administrative captain and two (2) public safety office clerks.

### *Fire Division:*

The Fire Division is a significant link in the public safety concept. By having all officers

cross-trained in both police and fire disciplines, the department effectively doubles the number of personnel available at all fire scenes.

*Capt. Ric Buikema*

Although infrequent, it can be argued that firefighting is the most dangerous task our officers face. The fire service has seen an ever-increasing growth of regulations and mandated policies.

Requirements for safety equipment and training, and subsequent fines for non-compliance make present day firefighting a true public safety challenge.

- In 2014, the Fire Division responded to 106 fire related incidents.
- The Fire Division continues to work closely with area Fire Departments, particularly in matters concerning mutual aid and fire suppression/response. This collaborative effort is a positive development for both Departments and the citizens we serve. The Fire Division responds in a mutual aid capacity primarily with the Grand Rapids, Ada, and Grand Rapids Charter Township Fire Departments when requested.

*Training Division:*

One of the most demanding tasks of any Public Safety Department is the continuous training required to maintain the knowledge and skills essential for public safety work. The Training Division is responsible for training all staff, both sworn and civilian, in a wide variety of mandatory and non-mandatory police, fire, and emergency services programs. Personnel receive instruction in-house and also attend specialized external programs when necessary. Because of the unpredictable nature and potential danger our officers face day in and day out, training will continue to be a regular part of the officer’s duty day. Some examples of training provided in 2014 include:

<i>Police</i>	<i>Fire</i>	<i>Medical</i>
<ul style="list-style-type: none"> <li>• Weapons Qualification</li> <li>• Rapid Deployment Training</li> <li>• Precision Driving</li> <li>• Defensive Tactics</li> <li>• Simmunitions</li> <li>• Legal Updates</li> <li>• Cultural Diversity</li> <li>• Felony Car Stops</li> </ul>	<ul style="list-style-type: none"> <li>• Fires: Strategies and Tactics</li> <li>• Airboat Ops</li> <li>• Haz-Mat</li> <li>• Ice Rescue</li> <li>• Aerial Operations</li> <li>• Confined Spaces</li> <li>• Extrication</li> <li>• Apparatus Driving</li> </ul>	<ul style="list-style-type: none"> <li>• CPR/AED Certification</li> <li>• Medical First Aid</li> <li>• Blood Borne Pathogens</li> <li>• Patient Assessment</li> <li>• Pediatric Treatment</li> <li>• Airway/Ventilation</li> </ul>

*Office Support Staff:*

The responsibilities of assisting the Patrol and Support Services Divisions were handled by two civilian personnel, which compromise the Office Support Staff. In East Grand Rapids, office staff answer all calls made to the Public Safety non-emergency number of 949-7010 between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday. At all other times, the Kent County Sheriff’s Department answers the non-emergency phone line. All 911 calls are answered by the Kent County Sheriff Department’s Emergency Dispatch Center allowing for immediate transmission of calls for service within the City of East Grand Rapids. Additional duties carried out by Office Support Staff include but are not limited to the following:

- Front desk operations: Assist walk-in and telephone customers, process report copies, cashier, process and issue gun permits, sex offender registrations, impound releases, notary services, background checks, block party registrations, etc.

- Police, fire, and EMS records processing, storage, retrieval, and management
- Warrant Unit management
- Administrative tasks involving statistics, hiring, personnel, presentations, and publications
- Parking ticket processing and collections
- OWI and False Alarm Cost Recovery Program

*Property Room:*

The Department takes in approximately 400 items of property each year. In 2004, the Department replaced civilian staff with sworn personnel for property room management responsibilities. Currently, Public Safety Officer Beth Phelps is primarily responsible for managing the property room under the direct supervision of Captain Chuck Lark. The property room management team is responsible for the labeling, tagging, packaging and disposition of all property. As a result, all property is tracked from initial storage to eventual disposition in such a manner as to maintain the integrity of the “chain of evidence.”

Property is divided into four categories. They are found property, evidence, property entered for safekeeping, and forfeiture. Each can require numerous report filings with local, state, and federal authorities. The Department conducts an annual audit of the property room and makes found property available for return to finders. Unclaimed property is donated to charitable organizations.

*School Liaison:*

In 2014, Officers Dave Hollis, Troy Brown, and Zach Nagtzaam were assigned to the School Liaison position. Their duties include all juvenile investigations, bike patrol, child safety seat technician, national night out and liaison between the schools and the public safety department. In addition, Officer Perez coordinates the following programs:

- **T.E.A.M. (Teaching, Educating, and Mentoring)**

In 2014, the School Liaison Officers received training to provide 14 grade school lessons, 8 middle school lessons, and 11 high school lessons. Each lesson is approximately 30 to 45 minutes in length and deals with various topics such as fire safety, internet safety, bicycle and pedestrian safety, gun safety, homeland security, defensive driving, etc. “T.E.A.M. is a proactive effort to make schools and communities safer, promote responsible citizenship, and encourage positive character traits.”

- **C.A.P.S. (Citizens Assisting Public Safety)**

In 2014, the Department started its third year of C.A.P.S. with eight active volunteers. The season ended on the night of Halloween. The department provided training for the participants who patrolled our city to provide “eye’s and ear’s” for the department. Many of the C.A.P.S. volunteers routinely expressed joy for the freedom and responsibility that we gave them to serve their neighbors.

- **C.A.C. (Community Action Council)**

We continue to support the C.A.C. by active participation in the group.

- **Crossing Guards**

The Department employs 20 crossing guards. They provide a safe environment for students travelling to and from school. The School Liaison Officers handle all traffic related issues relative to their duties.

The Support Services Division will continue to work behind the scenes to facilitate the Department’s needs and ensure the quality of service our citizens deserve.

**Commentary:**

Complaints concerning the performance of the Department or its members are reviewed by the director and assigned to Capt. Williams or Capt. Lark, who ensures all complaints are thoroughly investigated in a timely manner. Cases are returned to the Director for final disposition. For 2014, there were only two reported complaints against any sworn member of the Department filed by a resident or citizen. This is a testament to the high level of professionalism and service provided by all Department personnel.

Internal affairs complaints may be closed in one of four ways:

- *Sustained* – Investigation proved that the act or acts did happen and the complaint is valid.
- *Not Sustained* – Investigation could not prove or disprove the complaint.
- *Exonerated* – Investigation showed that the act or acts did occur, but they were legal or justified or appropriate.
- *Unfounded* – Investigation showed that the act or acts complained of did not occur.

**Citizen Surveys:**

The Department periodically mails citizen surveys to recipients of tickets issued in the course of a traffic stop or accident complaint to monitor the quality of customer service/satisfaction and identify training needs. They are also used to monitor officer compliance with department rules and regulations.

<b>East Grand Rapids</b>	<b>28</b>	<b>10,807</b>	<b>2.59</b>

**Commentary:**

The national average for police officers per 1000 population for all cities is 2.3. The East Grand Rapids Department is able to staff our city at a rate higher than the national average because of the public safety concept. Prior to 1986, the separate police and fire departments in East Grand Rapids had a total of 40 personnel. Today, our combined sworn strength stands at 28. This represents a 30% reduction in manpower. Even though the Department is comprised of fewer actual bodies, we are able to provide nearly twice the police and fire coverage because of consolidation. Municipalities struggling with financial difficulties would do well to study our public safety model.
