# OVERVIEW

*“Planning is as natural to the process  
of success as its absence is to the process of failure.”*

ROBIN SIEGLER

## Introduction:

Attached for your review is the 2015 Annual Report for the East Grand Rapids Department of Public Safety. It was a significant year for the Department of Public Safety.

The Department of Public Safety is committed to working closely with the community, all levels of government, and key stakeholders to move forward on key law enforcement and fire safety concerns. While the department must clearly lead in public safety issues, community security is a shared responsibility. The efforts and partnerships

of today are the foundations for a safe and peaceful East Grand Rapids tomorrow. Our goal is to make East Grand Rapids the safest and most livable city. We will work with all who are committed to public safety to achieve this desired end.

We are very pleased and thankful for your support and the backing of the community. We will work hard to maintain your trust and confidence.

## Service Philosophy:

The East Grand Rapids Department of Public Safety embraced the philosophy of Community Policing long before the term became a popular buzzword throughout the country. The Department strongly believes the respect of citizens combined with a collaborative working partnership with the community they protect and serve leads to a safer city and “a better place to live.”

Mark A. Herald  
Director

Because of the Department’s location in the “Heart of the City”, and its close proximity to schools and walking distance to the central business district, the Department and its citizens are able to co-mingle. This creates and fosters the best feelings of what a small town offers. Many times a week, students, parents and

groups come to the Department for visits. The officers and citizens find the Department’s “Central Location” eases the communication process, which is vital for community policing.

The Department has always had a close working relationship with schools both in and out of the district. With the addition of the summer bike patrol in 1997, the Department was able to target youth and issues that affect youth such as bike helmet ordinances, tours and positive interaction. Many Department members are actively involved in youth centered activities such as coaching and other various events. Members of the Department regularly attend school assemblies and classroom discussions.

## **Accomplishments:**

During 2015, the East Grand Rapids Department of Public Safety was able to:

- Send Staff Sergeant Eric Smith and Officer Jason Bradley to assist the Grand Rapids Police Department with a search of the Grand River utilizing our Department Air Boat which resulted in the recovery of the body of a woman who was reported missing several weeks earlier.
- With the assistance of Detective Mark Lindner, arrest and charge a subject for stealing a motor vehicle from a resident in the City of East Grand Rapids. The subject was also suspected of breaking into several other vehicles in our city.
- Present Life Saving Awards to Sergeant Scott Kolster and Officer Pete Gruzin and a Chief's Citation to East Grand Rapids Elementary School Teacher Jacki Burdick for their outstanding actions while tending to an individual having a medical emergency. Their prompt and decisive actions resulted in the saving of the patient's life.
- Present Officer Scott Grams and Officer David Katje with the Medal of Honor for their outstanding life-saving actions and disregard for their own personal safety when they saved the life of one of our own Public Works Employees, Lannie Ross, who became trapped in an excavated hole during a water main repair.
- Present Public Works Employees Jeff Stultz, Jason Huggert, and Cody Browneye with the Chiefs Citation for their quick actions and disregard for their own personal safety when they helped save Lannie Ross who became trapped in an excavated hole during a water main repair.
- Hold a bike registration even at the East Grand Rapids Middle School in conjunction with the school's open house at the beginning of the school year. Ofc. Dave Hollis was able to obtain funding from the East Grand Rapids Community Foundation for bike locks purchased from the Grand Rapids Bike Company. The locks were given to students free of charge when they registered their bike with the Public Safety Department. The event was a huge success as it resulted in over a hundred bike registrations.
- Hold the first ever "Public Safety Day" in October. The event drew hundreds of residents and – due to its success - will become an annual event designed to improve relationships and educate the community on police, fire and medical first response initiatives.

Robbery	0	0	0	0	0	0%
<i>Total Violent Crime:</i>	<b>2</b>	<b>1</b>	<b>4</b>	<b>4</b>	<b>8</b>	<b>100%</b>

**Commentary:**

For the past five years, East Grand Rapids has averaged 3.8 violent crimes a year. There are no significant trends in this area. In general, violent crime is a rare occurrence in East Grand Rapids.

*\*Note: Beginning with the 2010 Annual Report, all Part I Crimes, except for the current year, will be recorded from the annual FBI Uniform Crime Report.*

**Part I - Property Crime:**

Part I Property Crimes are defined as follows:

- *Arson* – is any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling, house, public building, motor vehicle or aircraft, personal property of another, etc. Only fires determined through investigation to have been willfully or maliciously set are classified as arsons. - *Breaking & Entering* – is the unlawful entry of a structure to commit a felony or a theft. The use of force to gain entry is not required to classify as an offense of burglary.

<i>Total Property Crime:</i>	<b>101</b>	<b>92</b>	<b>136</b>	<b>136</b>	<b>101</b>	<b>-26%</b>

**Commentary:**

During the last year, property crime declined significantly due to a reduction in burglaries and larcenies. Our goal is to consistently reduce the total number of property crimes. Burglaries and larcenies can be significantly reduced if residents remember to lock their doors and windows at all times, and secure all valuables inside their houses or garages. Larcenies of property from automobiles can be greatly reduced if residents remove all valuables from their vehicles and secure the windows and doors, even if their automobile is parked in their driveway.

The cumulative arrest totals for each year include both juvenile and adult arrests. When reviewing the figures above, please keep the following in mind: Arrests represent the actual number of individuals arrested. An individual may have been charged with multiple offenses. The reader is cautioned against comparing arrests and offenses, as many times they do not occur in the same years.

**Commentary:**

The basic speed in East Grand Rapids is 25 mph unless otherwise posted. Speed limits and other local and state laws are strictly enforced. Officers use radar to aid in enforcement efforts. The department also uses a portable speed trailer equipped with a visual speed display to alert motorists of their speed.

Uniform law citations are actual numbers of tickets written. Each ticket can have up to three charges.

# ORGANIZATION & STRUCTURE

*“My father always used to say, ”Don’t raise your voice improve your argument.”

**Department of Public Safety  
Organizational Chart:**

## Police Services Division:

An East Grand Rapids Public Safety Officer performs many different duties during their assigned shift. At any time, an officer may be called upon to perform police actions, suppress fire, or perform as a Medical First Responder. All of these skills are unique and subject to many variables. Continuous training is required in each discipline in order for Officers to maintain quality of service.

Public safety services are provided utilizing a 24-hour work schedule. A 24-hour shift is traditionally used to staff departments in the fire service. East Grand Rapids is unique in that it has adopted a modified 24-hour operations schedule to staff its consolidated police and fire services. This schedule maximizes the Department's available personnel.

The Department uses three separate rotating shifts, each working a 24-hour tour of duty. Every shift is staffed with one Staff

Sergeant, one Sergeant, and five Public Safety Officers. The Sergeants administer and supervise the officer's daily activities. A separate 8-hour midnight shift is employed to ensure 24-hour road patrol coverage.

Capt. Brian Williams

The department, through its patrol operations, is continually emphasizing a "Community First" approach to public safety. The Department's tradition of answering calls for service that many departments will not normally handle is an example of our efforts to better serve the community. Assigned foot patrols

and business property checks add to the safety and security of our city. The use of in-car videos, citizen questionnaires, and performance evaluations ensure all citizens are receiving the highest quality service we can offer.

**Commentary:**

The Detectives receive initial reports taken by uniformed patrol officers that require follow-up or further investigation, or they are assigned cases directly. Their responsibilities include but are not relegated to:

Identifying and locating criminal offenders

- Arresting criminal offenders
- Collecting and preserving physical evidence
- Recovering and returning stolen property
- Testifying in court
- Coordinating cases
- Investigations with other agencies

Mark Lindner  
Detective

Sgt. Matt Perez  
Coordinator School Liaison Program

## Support Services Division:

The Support Services Bureau is responsible for the Fire Division, Training Division, Office Support Staff and Property Room management. Bureau personnel are comprised of one (1) administrative captain and two (2) public safety office clerks.

### *Fire Division:*

The Fire Division is a significant link in the public safety concept. By having all officers

cross-trained in both police and fire disciplines, the department effectively doubles the number of personnel available at all fire scenes.

*Capt. Ric Buikema*

Although infrequent, it can be argued that firefighting is the most dangerous task our officers face. The fire service has seen an ever-increasing growth of regulations and mandated policies.

Requirements for safety equipment and training, and subsequent fines for non-compliance make present day firefighting a true public safety challenge.

- In 2015, the Fire Division responded to 151 fire related incidents.
- The Fire Division continues to work closely with area Fire Departments, particularly in matters concerning mutual aid and fire suppression/response. This collaborative effort is a positive development for both Departments and the citizens we serve. The Fire Division responds in a mutual aid capacity primarily with the Grand Rapids, Ada, and Grand Rapids Charter Township Fire Departments when requested.

*Training Division:*

One of the most demanding tasks of any Public Safety Department is the continuous training required to maintain the knowledge and skills essential for public safety work. The Training Division is responsible for training all staff, both sworn and civilian, in a wide variety of mandatory and non-mandatory police, fire, and emergency services programs. Personnel receive instruction in-house and also attend specialized external programs when necessary. Because of the unpredictable nature and potential danger our officers face day in and day out, training will continue to be a regular part of the officer’s duty day. Some examples of training provided in 2015 include:

<i>Police</i>	<i>Fire</i>	<i>Medical</i>
<ul style="list-style-type: none"> <li>• Weapons Qualification</li> <li>• Rapid Deployment Training</li> <li>• Precision Driving</li> <li>• Defensive Tactics</li> <li>• Simmunitions</li> <li>• Legal Updates</li> <li>• Cultural Diversity</li> <li>• Felony Car Stops</li> </ul>	<ul style="list-style-type: none"> <li>• Fires: Strategies and Tactics</li> <li>• Airboat Ops</li> <li>• Haz-Mat</li> <li>• Ice Rescue</li> <li>• Aerial Operations</li> <li>• Confined Spaces</li> <li>• Extrication</li> <li>• Apparatus Driving</li> </ul>	<ul style="list-style-type: none"> <li>• CPR/AED Certification</li> <li>• Medical First Aid</li> <li>• Blood Borne Pathogens</li> <li>• Patient Assessment</li> <li>• Pediatric Treatment</li> <li>• Airway/Ventilation</li> </ul>

*Office Support Staff:*

The responsibilities of assisting the Patrol and Support Services Divisions were handled by two civilian personnel, which compromise the Office Support Staff. In East Grand Rapids, office staff answers all calls made to the Public Safety non-emergency number of 949-7010 between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday. At all other times, the Kent County Sheriff’s Department answers the non-emergency phone line. All 911 calls are answered by the Kent County Sheriff Department’s Emergency Dispatch Center allowing for immediate transmission of calls for service within the City of East Grand Rapids. Additional duties carried out by Office Support Staff include but are not limited to the following:

- Front desk operations: Assist walk-in and telephone customers, process report copies, cashier, process and issue gun permits, sex offender registrations, impound releases, notary services, background checks, block party registrations, etc.

- Police, fire, and EMS records processing, storage, retrieval, and management
- Warrant Unit management
- Administrative tasks involving statistics, hiring, personnel, presentations, and publications
- Parking ticket processing and collections
- OWI and False Alarm Cost Recovery Program

*Property Room:*

The Department takes in approximately 400 items of property each year. In 2004, the Department replaced civilian staff with sworn personnel for property room management responsibilities. Currently, Public Safety Officer Beth Moore is primarily responsible for managing the property room under the direct supervision of Captain Ric Buikema. The property room management team is responsible for the labeling, tagging, packaging and disposition of all property. As a result, all property is tracked from initial storage to eventual disposition in such a manner as to maintain the integrity of the “chain of evidence.”

Property is divided into four categories. They are found property, evidence, property entered for safekeeping, and forfeiture. Each can require numerous report filings with local, state, and federal authorities. The Department conducts an annual audit of the property room and makes found property available for return to finders. Unclaimed property is donated to charitable organizations.

*School Liaison:*

In 2015, Sergeant Matt Perez became the Coordinator of the Community/School Liaison Program. He coordinates the activities of three school liaison officers - PSO's Troy Brown, Dave Hollis and Zach Nagtzaam - whose duties include all juvenile investigations, bike patrol, child safety seat technician, national night out and liaison between the schools and the public safety department. In addition, the officers coordinate the following programs:

- **T.E.A.M. (Teaching, Educating, and Mentoring)**

In 2015, school liaison officers provided elementary, middle, and high school lessons. Each lesson is approximately 30 to 45 minutes in length and deals with various topics such as fire safety, internet safety, bicycle and pedestrian safety, gun safety, homeland security, defensive driving, etc. “T.E.A.M. is a proactive effort to make schools and communities safer, promote responsible citizenship, and encourage positive character traits.”

- **C.A.C. (Community Action Council)**

We continue to support the C.A.C. by active participation in the group.

- **Crossing Guards**

The Department employs 20 crossing guards. They provide a safe environment for students travelling to and from school. Officer Perez handles all traffic related issues relative to their duties.

The Support Services Division will continue to work behind the scenes to facilitate the Department's needs and ensure the quality of service our citizens deserve.

Complaints concerning the performance of the Department or its members are reviewed by the director and assigned to Capt. Williams or Capt. Lark, who ensures all complaints are thoroughly investigated in a timely manner. Cases are returned to the Director for final disposition. In 2015, of the 5 complaints 3 resulted in 6 separate allegations.

Internal affairs complaints may be closed in one of four ways:

- *Sustained* – Investigation proved that the act or acts did happen and the complaint is valid.
- *Not Sustained* – Investigation could not prove or disprove the complaint.
- *Exonerated* – Investigation showed that the act or acts did occur, but they were legal or justified or appropriate.
- *Unfounded* – Investigation showed that the act or acts complained of did not occur.

<i>City</i>	<i>Sworn Personnel</i>	<i>City's Estimated Population</i>	<i>Officers per 1000 Population</i>

Wyoming	83	73,371	1.13
<b>East Grand Rapids</b>	<b>28</b>	<b>10,807</b>	<b>2.59</b>

**Commentary:**

The national average for police officers per 1000 population for all cities is 2.3. The East Grand Rapids Department is able to staff our city at a rate higher than the national average because of the public safety concept. Prior to 1986, the separate police and fire departments in East Grand Rapids had a total of 40 personnel. Today, our combined sworn strength stands at 30. This represents a 25% reduction in manpower. Even though the Department is comprised of fewer actual bodies, we are able to provide nearly twice the police and fire coverage because of consolidation. Municipalities struggling with financial difficulties would do well to study our public safety model.
