OVERVIEW

Introduction:

Attached for your review is the 2019 Annual Report for the East Grand Rapids Department of Public Safety. It was a significant year for the Department of Public Safety.

The Department of Public Safety is committed to working closely with the community, all levels of government, and key stakeholders to move forward on key law enforcement and fire safety concerns. While the department must clearly lead in public safety issues, community security is a shared responsibility.

The efforts and partnerships of today are the foundations for a safe and peaceful East Grand Rapids tomorrow. Our goal is to make East Grand Rapids the safest and most livable city. We will work with all who are committed to public safety to achieve this desired end.

We are very pleased and thankful for your support and the backing of the community. We will work hard to maintain your trust and confidence.

Service Philosophy:

The East Grand Rapids Department of Public Safety embraced the philosophy of Community Policing long before the term became a popular buzzword throughout the country. The Department strongly believes the respect of citizens combined with a collaborative working partnership with the community they protect and serve leads to a safer city and “a better place to live.”

Because of the Department’s location in the “Heart of the City”, and its proximity to schools and walking distance to the central business district, the Department and its citizens are able to co-mingle. This creates and fosters the best feelings of what a small town offers. Many

times, a week, students, parents and groups come to the Department for visits. The officers and citizens find the Department’s “Central Location” eases the communication process, which is vital for community policing.

The Department has always had a close working relationship with schools both in and out of the district. Many Department members are actively involved in youth centered activities such as coaching and other various events. Members of the Department regularly attend school assemblies and classroom discussions.

Part I – Violent Crime*	Year					% change 18 to 19
	2015	2016	2017	2018	2019	
Aggravated Assault	2	2	0	0	1	100
Forcible Rape/CSC	6	2	6	5	5	0
Murder & Non-Negligent Manslaughter	0	0	0	0	0	0
Robbery	0	0	4	2	0	100
<i>Total Violent Crime:</i>	8	4	10	7	6	-14.3

Commentary:

There are no significant trends in this area. In general, violent crime is a rare occurrence in East Grand Rapids.

Part I - Property Crime:

Part I Property Crimes are defined as follows:

- *Arson* – is any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling, house, public building, motor vehicle or aircraft, personal property of another, etc. Only fires determined through investigation to have been willfully or maliciously set are classified as arsons. Fires of suspicious or unknown origins are excluded.
- *Breaking & Entering* – is the unlawful entry of a structure to commit a felony or a theft. The use of force to gain entry is not required to classify as an offense of burglary.
- *Larceny* – is the unlawful taking, carrying, leading or riding away of property from the possession or constructive possession of another. Larceny includes but is not limited to retail fraud, purse snatching, and thefts from motor vehicles.
- *Motor Vehicle Theft* – is the theft or attempted theft of a motor vehicle. This includes the stealing of automobiles, buses, trucks, snowmobiles, motorcycles, mopeds, etc. The definition excludes the taking of a motor vehicle for temporary use by those persons having unlawful access.

Part I – Property Crime	Year					% Change 18 to 19
	2015	2016	2017	2018	2019	
Arson	0	0	0	0	0	0
Breaking & Entering	11	14	27	19	8	-58
Larceny	84	71	164	93	84	-10
Motor Vehicle Theft	6	8	4	9	9	0
<i>Total Property Crime:</i>	101	93	195	121	101	-17

Commentary:

Our goal is to consistently reduce the total number of property crimes. Burglaries and larcenies can be significantly reduced if residents remember to lock their doors and windows at all times and secure all valuables inside their houses or garages. Larcenies of property from automobiles can be greatly reduced if residents remove all valuables from their vehicles and secure the windows and doors, even if their automobile is parked in their driveway.

Part II Crime:

Part II or Non-Index Crimes are less serious offenses committed against persons and/or property. Some key definitions for Part II Crimes are:

- *Disorderly Conduct* – is any behavior that tends to disturb public peace or decorum, scandalize the community, or shock the public sense of morality.
- *Embezzlement* – is the illegal taking, misapplying, or misappropriating of money, property, or other items of value entrusted to a person’s care, custody, or control.
- *Forgery & Counterfeiting* – is the altering, copying, or imitation of something without authority or right with the intent to deceive a person that it is original or genuine.
- *Fraud* – is the intentional perversion of the truth with the purpose of inducing another person, or entity to part with something of value or surrender a legal right.
- *Narcotics Laws* – are the violation of laws prohibiting the production, distribution, and/or use of controlled substances and the equipment/devices utilized in their preparation or use.
- *Non-Aggravated Assault* – is an unlawful physical attack where neither the offender displays a weapon, nor does the victim suffer obvious severe or aggravated bodily injury.
- *Operating While Impaired (OWI)* – is driving or operating a motor vehicle, boat, or snowmobile while mentally or physically impaired as a result of consuming alcohol or drugs/narcotics.
- *Sex Offenses* – are illegal acts done for sexual gratification, involving display or exposure of sexual organs or gross indecency. Rape and prostitution are not included.
- *Stolen Property* – is buying, receiving, selling, concealing, transporting, or possessing property of another with the knowledge that it has been criminally taken.
- *Weapons Offenses* – are the violation of laws or ordinances prohibiting the manufacturing, selling, purchase, transportation, possession, concealment, or use of firearms or deadly weapons.

There are no specific patterns for directed activities.

Commentary:

The basic speed in East Grand Rapids is 25 mph unless otherwise posted. Speed limits and other local and state laws are strictly enforced. Officers use radar to aid in enforcement efforts. The department also uses a portable speed trailer equipped with a visual speed display to alert motorists of their speed.

Uniform law citations are actual numbers of tickets written. Each ticket can have up to three charges.

The number of parking complaints increased but the number of citations issued were down. Most likely when the officer investigated the complaint, he/she determined that the parking complaint was legal.

**ORGANIZATION
& STRUCTURE**

Department of Public Safety Organizational Chart:

Commentary: The Department reorganized in 2019 by eliminating one captain position and creating one detective sergeant position. In addition, the school community liaison position was placed back on a regular Monday – Friday 8 a.m. – 5 p.m. shift to better accommodate the schools.

Public Safety Division:

An East Grand Rapids Public Safety Officer performs many different duties during their assigned shift. At any time, an officer may be called upon to perform police actions, suppress fire, or perform as a Medical First Responder. All these skills are unique and subject to many variables. Continuous training is required in each discipline for Officers to maintain quality of service.

Public safety services are provided utilizing a 24-hour work schedule. A 24-hour shift is traditionally used to staff departments in the fire service. East Grand Rapids is unique in that it has adopted a modified 24-hour operations schedule to services. This schedule maximizes

The Department uses three 24-hour tour of duty. Every shift is Staff Sergeant, and five Public Safety Officers supervise the Officer's daily activities. A

separate rotating shifts, each working a staffed with one Staff Sergeant, one Officer. The Sergeants administer and separate 8-hour midnight shift is patrol coverage.

The department, through its patrol operations, is continually emphasizing a *"Community First"* approach to public safety. The Department's tradition of answering calls for service that many departments will not normally handle is an example of our efforts to better serve the community. Assigned foot patrols and business property checks add to the safety and security of our city. The use of in-car videos, citizen questionnaires, and performance evaluations ensure all citizens are receiving the highest quality service we can offer.

<i>Total Assigned Cases:</i>	149	128	178	135	179	33

Commentary:

The Detectives receive initial reports taken by uniformed patrol officers that require follow-up or further investigation, or they are assigned cases directly. Their responsibilities include but are not relegated to:

- Identifying and locating criminal offenders
- Arresting criminal offenders
- Collecting and preserving physical evidence
- Recovering and returning stolen property
- Testifying in court
- Coordinating cases
- Investigations with other agencies

Detective Pete Gruzin

Investigative Services Division:

The Investigative Services Division is responsible for the School Liaison, fire investigations and Property Room management.

The Fire service is a significant link in the public safety concept. By having all officers cross-trained in both police and fire disciplines, the department effectively doubles the number of personnel available at all fire scenes.

Although infrequent, it can be argued that firefighting is the most dangerous task our officers face. The fire service has seen an ever-increasing growth of regulations and mandated policies.

Requirements for safety equipment and training, and subsequent fines for non-compliance make present day firefighting a true public safety challenge.

The Department continues to work closely with area Fire Departments, particularly in matters concerning mutual aid and fire suppression/response. This collaborative effort is a positive development for both Departments and the citizens we serve. Public Safety responds in a mutual aid capacity primarily with the Grand Rapids, Ada, and Grand Rapids Charter Township Fire Departments when requested.

Fire Apparatus - 2019

Training Unit:

One of the most demanding tasks of any Public Safety Department is the continuous training required to maintain the knowledge and skills essential for public safety work. The Training Division is responsible for training all staff, both sworn and civilian, in a wide variety of mandatory and non-mandatory police, fire, and emergency services programs. Personnel receive instruction in-house and attend specialized external programs when necessary. Because of the unpredictable nature and potential danger our officers face day in and day out, training will continue to be a regular part of the officer’s duty day. Some examples of training provided in 2018 include:

<i>Police</i>	<i>Fire</i>	<i>Medical</i>
<ul style="list-style-type: none"> • Weapons Qualification • Rapid Deployment Training • Precision Driving • Defensive Tactics • Simunitions • Legal Updates • Cultural Diversity • Felony Car Stops 	<ul style="list-style-type: none"> • Fires: Strategies and Tactics • Airboat Ops • Haz-Mat • Ice Rescue • Aerial Operations • Confined Spaces • Extrication • Apparatus Driving 	<ul style="list-style-type: none"> • CPR/AED Certification • Medical First Aid • Blood Borne Pathogens • Patient Assessment • Pediatric Treatment • Airway/Ventilation

Public Safety Clerks:

The responsibilities of assisting the Public Safety Services were handled by two civilian personnel, which comprise the Office Support Staff. In East Grand Rapids, office staff answers all calls made to the Public Safety non-emergency number of 949-7010 between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday. At all other times, the Kent County Sheriff’s Department answers the non-emergency phone line. All 911 calls are answered by the Kent County Sheriff Department’s Emergency Dispatch Center allowing for immediate transmission of calls for service within the City of East Grand Rapids. Additional duties carried out by Office Support Staff include but are not limited to the following:

- Front desk operations: Assist walk-in and telephone customers, process report copies, cashier, process and issue gun permits, sex offender registrations, impound releases, notary services, background checks, block party registrations, etc.
- Police, fire, and EMS records processing, storage, retrieval, and management
- Warrant Unit management

- Administrative tasks involving statistics, hiring, personnel, presentations, and publications
- Parking ticket processing and collections

Property Room:

The Department takes in approximately 400 items of property each year. In 2004, the Department replaced civilian staff with sworn personnel for property room management responsibilities. Currently, Public Safety Officer Beth Moore is primarily responsible for managing the property room. The property room management team is responsible for the labeling, tagging, packaging and disposition of all property. As a result, all property is tracked from initial storage to eventual disposition in such a manner as to maintain the integrity of the “chain of evidence.”

Property is divided into four categories. They are found property, evidence, property entered for safekeeping, and forfeiture. Each can require numerous report filings with local, state, and federal authorities. The Department conducts an annual audit of the property room and makes found property available for return to finders. Unclaimed property is donated to charitable organizations.

School Community Liaison Program:

Detective Sergeant Scott Kolster coordinates the activities of the school liaison officer - PSO Collin Wallace, whose duties include all juvenile investigations, bike patrol, child safety seat technician, national night out and liaison between the schools and the public safety department. In addition, the officers coordinate the following programs:

- **T.E.A.M. (Teaching, Educating, and Mentoring)**

In 2019, school liaison Officer Wallace provided elementary, middle, and high school lessons. Each lesson is approximately 30 to 45 minutes in length and deals with various topics such as fire safety, internet safety, bicycle and pedestrian safety, gun safety, homeland security, defensive driving, etc. “T.E.A.M. is a proactive effort to make schools and communities safer, promote responsible citizenship, and encourage positive character traits.”

- **Crossing Guards**

The Department also employs school crossing guards. They provide a safe environment for students travelling to and from school.

Commentary:

Complaints concerning the performance of the Department or its members are reviewed by Captain Buikema, who ensures all complaints are thoroughly investigated in a timely manner. Cases are returned to the Director for final disposition. Complaints against an East Grand Rapids Department of Public Safety officer are a rare occurrence.

Internal affairs complaints may be closed in one of four ways:

- *Sustained* – Investigation proved that the act or acts happened and the complaint is valid.
- *Not Sustained* – Investigation could not prove or disprove the complaint.
- *Exonerated* – Investigation showed that the act or acts did occur, but they were legal or justified or appropriate.
- *Unfounded* – Investigation showed that the act or acts complained of did not occur.

Commentary:

The national average for police officers per 1000 population for all cities is 2.3. The East Grand Rapids Department can staff our city at a rate higher than the national average because of the public safety concept. Prior to 1986, the separate police and fire departments in East Grand Rapids had a total of 40 personnel. Even though the Department is comprised of fewer actual bodies, we can provide nearly twice the police and fire coverage because of consolidation. Municipalities struggling with financial difficulties would do well to study our public safety model.
