

CITY OF EAST GRAND RAPIDS

750 LAKESIDE DRIVE SE-EAST GRAND RAPIDS, MICHIGAN 49506

May 15, 2024

Dear Resident/Property Owner,

The City of East Grand Rapids has been working in partnership with East Grand Rapids Public Schools, on a Safe Routes to School program in the City. The goal of the partnership is to promote the safety of children walking and biking to and from school.

The City is preparing to submit a grant application to the Safe Routes to School program with the Michigan Department of Transportation (MDOT) to fund and address some of the safety issues identified during the walking safety assessment of the program. If the application is successful, the City will be able to repair and install new sidewalks and pathways, update crosswalks, and more identified in the included map (backside of this letter) at no cost to adjacent property owners through the MDOT Safe Routes to School program. It is our hope that the new sidewalk improvements and paths will promote a safer walking environment for children.

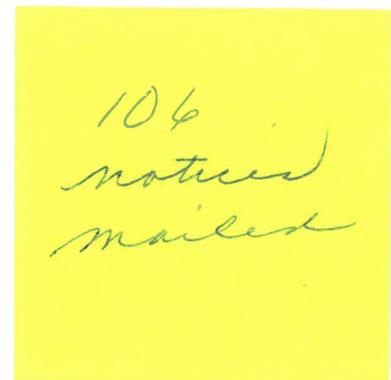

If the City is successful, construction of the new sidewalk upgrades and pathways would commence in 2025 or 2026. All infrastructure will be constructed in the public right-of-way, similar to other areas within the City that have sidewalks.

Please accept this letter and map as a notice of this potential project. If you have any questions or comments, please feel free contact Deputy City Manager/Director of Public Works, Doug La Fave by the Municipal Complex, via phone at 616-940-4817 or email at dlafave@eastgr.org

Additional notification and outreach will be forthcoming if grant funding is approved.

Respectfully,

Doug LaFave
Deputy City Manager/Director of Public Works
